(c) An Applicant may take the ARE at any official ARE testing center but must satisfy all Texas registration requirements in order to obtain architectural registration by examination in Texas.

(d) Each Candidate must achieve a passing score in each division of the ARE. Scores from individual divisions may not be averaged to achieve a passing score.

(e) An examination fee may be refunded as follows:

(1) The application fee paid to the Board is not refundable or transferable.

(2) The Board, on behalf of a Candidate, may request a refund of a portion of the examination fee paid to the national examination provider for scheduling all or a portion of the registration examination. A charge for refund processing may be withheld by the national examination provider. Refunds of examination fees are subject to the following conditions:

(A) A Candidate, because of extreme hardship, must have been precluded from scheduling or taking the examination or a portion of the examination. For purposes of this subsection, extreme hardship is defined as a serious illness or accident of the Candidate or a member of the Candidate's immediate family or the death of an immediate family member. Immediate family members include the spouse, child(ren), parent(s), and sibling(s) of the Candidate. Any other extreme hardship may be considered on a case-by-case basis.

(B) A written request for a refund based on extreme hardship must be submitted not later than thirty (30) days after the date the examination or portion of the examination was scheduled or intended to be scheduled. Documentation of the extreme hardship that precluded the applicant from scheduling or taking the examination must be submitted by the Candidate as follows:

1.42 SCORING

(a) An explanation of the scoring procedures for the ARE shall be provided to each Candidate prior to examination.

(b) A Candidate's ARE scores shall be determined by the entity that administers the examination. The Board shall not review any ARE score to determine its validity.

(c) If, for any reason, a Candidate takes a section or sections of the ARE but does not receive a score for

the section or sections, the Board shall have no liability beyond authorizing the Candidate to retake the section or sections with the corresponding fee waived.

Note: The provisions of this §1.42 adopted to be effective October 10, 2001, 26 TexReg 7838.

A Candidate who does not pass all sections of the examination within five (5) years after passing a section of the examination will forfeit credit for the section of the examination passed and must pass that section of the examination again.

(b) The Board may grant extensions to the 5-year period for completion of the examination if the Candidate is unable to pass all sections of the examination within that period for the following reasons:

(1) The Candidate gave birth to, or adopted a child within that 5-year period;

(2) The Candidate developed a serious medical condition within that 5-year period; or

(3) The Candidate commenced active duty service as a member of the United States military within that 5-year period.

(c) A Candidate may receive an extension of up to 6 months for the birth or adoption of a child by filing a written application with the Board together with any corroborating evidence immediately after the Candidate learns of the impending adoption or birth. A Candidate may receive an extension for the period of the serious medical condition or for the period of active duty military service by filing a written application with the Board together with corroborating evidence immediately after the Candidate learns of the medical condition or the commencement of active duty military service. A Candidate shall immediately notify the Board in writing when the medical condition is resolved or active duty military service ends.

(a) A Candidate's examination score may be transferred from one NCARB member board to another. The acceptance of the Candidate's score by the board receiving the score shall terminate the Candidate's application with the board transferring the score so that the Candidate has an application pending in only one (1) jurisdiction at all times. In order to be approved for architectural registration in Texas, a Candidate whose examination score is transferred to Texas must satisfy all requirements for architectural registration in Texas in effect at the time the examination score is transferred.

(b) If a Candidate's examination score is transferred from another member board and accepted by the Board, the Candidate must pass all sections of the examination no later than five (5) years from the date the first examination section was passed. 1.45 SPECIAL ACCOMMODATIONS

(a) In accordance with the Americans with Disabilities Act (ADA), every registration examination must be conducted in an accessible place and manner, or alternative accessible arrangements must be afforded so that no qualified individual with a disability is unreasonably denied the opportunity to complete the licensure process because of his/her disability.

(b) Special accommodations can be provided for examinees with physical or mental impairments that substantially limit major life activities. Available accommodations include the modification of examination procedures and the provision of auxiliary aids and services designed to furnish an individual with a disability an equal opportunity to demonstrate his/her knowledge, skills, and ability.

(c) The Board is not required to approve every request for accommodation or auxiliary aid or provide every accommodation or service as requested. The Board is not required to grant a request for accommodation if doing so would fundamentally alter the measurement of knowledge or the measurement of a skill intended to be tested by the examination or would create an undue financial or administrative burden.

(d) Procedure for requesting accommodation:

(1) To protect the integrity of the testing process, an Applicant requesting an accommodation must submit documentation regarding the existence of a disability and the reason the requested accommodation is necessary to provide the Applicant with an equal opportunity to exhibit his/her knowledge, skills, and ability through the examination. The Board shall evaluate each request on a case-by-case basis.

(2) An Applicant requesting an accommodation must have a licensed health care professional or other qualified evaluator provide certification regarding the disability as described in Subsection (e) of this section.

(3) An Applicant seeking an accommodation must make a request for accommodation on the prescribed form and provide documentation of the need for accommodation well in advance of the examination date. If the form is submitted less than sixty (60) days prior to the examination date, the Board will attempt to process the request but might not be able to provide the necessary accommodation for the next examination.

(e) The following information is required to support a request for an accommodation or an auxiliary aid:

(1) Identification of the type of disability (physical, mental, learning);

(2) Credential requirements of the evaluator:

(A) For physical or mental disabilities (not including learning), the evaluator shall be a licensed health care professional qualified to assess the type of disability claimed. If a person who does not fit these criteria completes the evaluation, the Board may reject the evaluation and require another evaluation, and the request for accommodation may be delayed.

(B) In the case of learning disabilities, a qualified evaluator shall have sufficient experience to be considered qualified to evaluate the existence of learning disabilities and proposed accommodations needed for specific learning disabilities. The evaluator shall be one of the following:

(i) a licensed physician or psychologist with a minimum of three years' experience working with adults with learning disabilities; or

(ii) another professional who possesses a master's or doctorate degree in special education or educational psychology and who has at least three years of equivalent training and experience in all of the areas described below:

(I) assessing intellectual ability and interpreting tests of such ability;

(II) screening for cultural, emotional, and motivational factors;

(III) assessing achievement level; and

(IV) administering tests to measure attention and concentration, memory, language reception and expression, cognition, reading, spelling, writing, and mathematics.

(3) Professional verification of the disability, which shall include a description of:

(A) the nature and extent of the disability, including a description of its effect on major life activities and the anticipated duration of the impairment;

(B) the effect of the disability on the applicant's ability to:

(i) evaluate written material;

(ii) complete graphic sections of the examination by drawing, drafting, and lettering; and

(iii) complete computerized sections of the examination that require data entry via keyboard and the manipulation of a mouse.

(C) whether the disability limits the amount of time the Applicant can spend on specific examination tasks;

(D) the recommended accommodation and how it relates to the applicant's disability;

- (E) the professional's name, title, telephone number, and his/her original signature;
- (F) any other information necessary, in the professional's opinion, to enable the exam provider to understand the examinee's disability and the accommodation necessary to enable the examinee to demonstrate his/her knowledge, skills, and ability.
- (f) Documentation supporting an accommodation shall be valid for five (5) years from the date submitted to the Board except that no further documentation shall be required where the original documentation clearly states that the disability will not change in the future.
- (g) The Board has the responsibility to evaluate each request for accommodation and to approve, deny, or suggest alternative reasonable accommodations. The Board may consider an Applicant's history of accommodation in determining its reasonableness in relation to the currently identified impact of the disability.
- (h) Information related to a request for accommodation shall be kept confidential to the extent provided by law.

Note: The provisions of this §1.45 adopted to be effective April 4, 2004, 29 TexReg 3461.

1.52 FINANCIAL ASSISTANCE TO ARE CANDIDATES

- (a) The fund established by the 76th Texas Legislature to provide financial assistance to Texas ARE Candidates shall be administered by the Board or, if authorized by law, by an independent scholarship administrator approved by the Board. As mandated by §1051.653 of the Texas Occupations Code, the Architect Registration Examination Financial Assistance Fund (AREFAF) shall be funded by a mandatory fee from all Texas registered Architects.
- (b) A one-time maximum award of \$500 shall be awarded to each approved applicant. Each scholarship recipient shall meet the following criteria:
 - (1) Each scholarship recipient shall be a Texas resident who has resided in Texas for at least 18 months immediately preceding the date the recipient submitted his or her application for the AREFAF award;

 - (3) Each scholarship recipient shall demonstrate that the examination fee for the ARE would pose or has posed a financial hardship for him or her; and
 - (4) Each scholarship recipient shall have attained passing scores on sections of the ARE for which the combined fees total at least \$500.
- (c) The Board shall not award an AREFAF scholarship to any of the following persons:
 - (1) any member of the Board;
 - (2) any employee of the Board;
 - (3) any person who assists in the administration of the AREFAF;
 - (4) any current or former member of the Texas Legislature; or
 - (5) any family member of any person described in subsection (c)(1), (c)(2), (c)(3), or (c)(4) of this section.
- (d) Each applicant shall apply for an AREFAF award on an authorized form available in the Board's office or from an independent scholarship administrator that has been approved to administer the AREFAF.
- (e) Each applicant shall be notified of the approval or rejection of the applicant's AREFAF application. Rejection of an application shall include an explanation of the reason for rejection.

Note: The provisions of this §1.52 adopted to be effective February 27, 2001, 26 TexReg 1709, amended to be effective July 18, 2007, 32 TexReg 4394.

Each Architect shall retain proof of fulfillment of the mandatory continuing education program requirements and shall retain the annual record of continuing education activities required by this subsection for a period of five years after the end of the registration period for which credit is claimed.

(2) Upon written request, the Board may require an Architect to produce documentation to prove that the Architect has complied with the mandatory continuing education program requirements. If acceptable documentation is not provided within 30 days of request, claimed credit may be disallowed. The Architect shall have 60 calendar days after notification of disallowance of credit to substantiate the original claim or earn other CEPH credit to fulfill the minimum requirements. Such credit shall not be counted again for another registration period.

(3) If an Architect is registered to practice more than one of the professions regulated by the Board and the Architect completes a continuing education activity that is directly related to more than one of those professions, the Architect may submit that activity for credit for all of the professions to which it relates. The Architect must maintain a separate detailed record of continuing education activities for each profession.

(4) An Architect may receive credit for up to 24 CEPH earned during any single registration period. A maximum of 12 CEPH that is not used to satisfy the continuing education requirements for a registration period may be carried forward to satisfy the continuing education requirements for the next registration period.

1.121 GENERAL

In carrying out its responsibility to insure strict enforcement of the Architects' Registration Law (the Act), the Board may investigate circumstances which appear to violate or abridge the requirements of the Act or the rules dealing with the Practice of Architecture and the use of the title "architect." The Board also may investigate representations which imply that a person or a business entity is legally authorized to offer or provide architectural services to the public. Violations of the Act or the rules which cannot be readily resolved through settlement shall be disposed of by administrative, civil, or criminal proceedings as authorized by law.

Note: The provisions of this §1.121 adopted to be effective September 19, 1996, 21 TexReg 8661; amended to be effective February 27, 2001, 26 TexReg 1709; amended to be effective March 30, 2006, 31 TexReg 2454.

- (1) not an employee of the Architect or architectural firm;
- (2) not a client of the Architect or architectural firm; and
- (3) not a subcontractor nor a consultant of the Architect or architectural firm under contract with a client except as described in subsection (e); shall, prior to providing architectural services on behalf of the business association, enter into a written agreement of association with the Nonregistrant whereby the Architect or the architectural firm agrees to be responsible for the preparation of all Construction Documents issued by the association.

The Texas Architect shall seal, sign, and date all Construction Documents issued for use in Texas as a result of the association in the same manner as if the Architect had prepared the Construction Documents or they had been prepared under the Architect's Supervision and Control. | 1.146 | Responsibility to the Architectural Profession | 1.152 | Repealed |
| | | 1.153 | Deferred Adjudications |

1.141 GENERAL

(a) These rules of professional conduct are promulgated pursuant to the Architects' Registration Law (the Act), Chapter 1051, Texas Occupations Code, which directs the Board to make all rules consistent with the laws and constitution of Texas which are reasonably necessary for the regulation of the practice of architecture and the enforcement of the Act. Except as otherwise noted, these rules of professional conduct apply only to situations which are directly or indirectly related to the practice of architecture.

(b) The Board may revoke, suspend, or refuse to renew an Architect's certificate of registration, place on probation an Architect whose certificate of registration has been suspended, reprimand an Architect, or assess an administrative penalty against an Architect for a violation of any provision of these rules of professional conduct or other provisions of the Rules and Regulations of the Board or the Act. The Board also may take action against an Applicant pursuant to section 1.151. A single instance of misconduct may be grounds for disciplinary action by the Board.

(c) Upon a finding of professional misconduct, the Board shall consider the following factors in determining an appropriate sanction or sanctions:

- (1) the seriousness of the conduct, including the hazard or potential hazard to the health or safety of the public;
- (2) the economic damage or potential damage to property caused by the misconduct;
- (3) the respondent's history concerning previous grounds for sanction;
- (4) the sanction necessary to deter future misconduct;
- (5) efforts to correct the misconduct; and
- (6) any other matter justice may require.

(d) These rules of professional conduct are not intended to suggest or define standards of care in civil actions against Architects involving their professional conduct.

(e) An Architect may donate his/her services to charitable causes but must adhere to all provisions of the Act and the Rules and Regulations of the Board in the provision of all architectural services rendered regardless of whether the Architect is paid for the services.

Note: The provisions of this §1.141 adopted to be effective March 1, 2001, 26 TexReg 1712; amended to be effective July 5, 2004, 29 TexReg 6275; amended to be effective March 20, 2009, 34 TexReg 1850.

1.142 COMPETENCE

(a) An Architect shall undertake to perform a professional service only when the Architect, together with those whom the Architect shall engage as consultants, is qualified by education and/or experience in the specific technical areas involved. During the delivery of a professional service, an Architect shall act with reasonable care and competence and shall apply the technical knowledge and skill which is ordinarily applied by reasonably prudent architects practicing under similar circumstances and conditions.

(b) An Architect shall not affix his/her signature or seal to any architectural plan or document dealing with subject matter in which he/she is not qualified by education and/or experience to form a reasonable judgment.

(c) "Gross Incompetency" shall be grounds for disciplinary action by the Board. An Architect may be found guilty of "Gross Incompetency" under any of the following circumstances:

- (1) the Architect has engaged in conduct that provided evidence of an inability or lack of skill or knowledge necessary to discharge the duty and responsibility required of an Architect;
- (2) the Architect engaged in conduct which provided evidence of an extreme lack of knowledge of, or an inability or unwillingness to apply, the principles or skills generally expected of a reasonably prudent architect under the same or similar circumstances and conditions;
- (3) the Architect has been adjudicated mentally incompetent by a court; or
- (4) pursuant to section 1.150(b) (relating to substance abuse.)

Note: The provisions of this §1.142 adopted to be effective March 1, 2001, 26 TexReg 1712; adopted to be effective March 3, 2013, 38 TexReg 1181.

1.143 RECKLESSNESS

(a) An Architect shall not practice architecture in any manner which, when measured by generally accepted architectural standards or procedures, is reasonably likely to result or does result in the endangerment of the safety, health, or welfare of the public.

(b) "Recklessness" shall be grounds for disciplinary action by the Board. "Recklessness" shall include the following practices:

- (1) conduct which indicates that the Architect is aware of yet consciously disregards a substantial risk of such a nature that its disregard constitutes a significant deviation from the standard of care that a reasonably prudent architect would exercise under the circumstances;
- (2) knowing failure to exercise ordinary care and attention toward the intended result when a procedure, technique, material, or system is employed as a result of a decision made by the Architect and such failure jeopardizes any person's health, safety, or welfare; or
- (3) action which demonstrates a conscious disregard for compliance with a statute, regulation, code, ordinance, or recognized standard applicable to the design or construction of a particular project when such disregard jeopardizes any person's health, safety, or welfare.

Note: The provisions of this §1.143 adopted to be effective March 1, 2001, 26 TexReg 1712.

1.144 DISHONEST PRACTICE

(a) An Architect may not directly or indirectly perform an act, omit an act or allow an omission, make an assertion, or otherwise engage in a practice with the intent to:

- (1) defraud;
- (2) deceive; or
- (3) create a misleading impression.

(b) An Architect may not advertise in a manner which is false, misleading, or deceptive.

(c) An Architect may not directly or indirectly solicit, offer, give, or receive anything or any service of significant value as an inducement or reward to secure any specific publicly funded architectural work. An Architect may not give architectural plans, design services, pre-bond referendum services, or any other goods or services of significant value to a governmental entity in response to a request for qualifications, a request for proposals, or otherwise during the process to select an Architect to render publicly funded architectural work. The term "significant value" means any act, article, money, or other material consideration which is of such value or proportion that its offer or acceptance would affect the governmental entity's selection of an Architect or would create the appearance of an obligation or bias on the part of the governmental entity to select the Architect to perform the architectural work.

(d) An Architect serving as an expert witness is subject to discipline for committing a dishonest practice upon a finding by a court of law that the Architect:

- (1) rendered testimony the Architect has actual knowledge is false; or
- (2) agreed to receive payment contingent upon giving testimony that expresses a particular opinion.

(e) For purposes of this section, an Architect's conduct is intentional, or with intent, if the nature of the conduct or a reasonable result of the conduct demonstrates a conscious objective or desire to engage in the conduct or cause the result. An Architect's conduct is knowing or with knowledge, with respect to the nature of the conduct or to circumstances surrounding the conduct when a reasonably prudent

Architect in the same or similar circumstances would be aware of the nature of the conduct or that the circumstances exist. An Architect acts knowingly, or with knowledge, with respect to a result of the Architect's conduct when a reasonably prudent Architect would be aware of the conduct and the conduct is reasonably certain to cause the result. An Architect's intent or knowledge may be established by circumstantial evidence.

(d) The phrase "benefit of any substantial nature" is defined to mean any act, article, money, or other material consideration which is of such value or proportion that its acceptance creates an obligation or the appearance of an obligation on the part of the Architect or otherwise could adversely affect the Architect's ability to exercise his/her own judgment without regard to such benefit.

(B) any business entity in the practice of architecture unless carried on in accordance with the Act; or

(c) An Architect shall be responsible and accountable for the care, custody, control, and use of his/her architectural seal, professional signature, and other professional identification. An Architect shall neither submit a competitive bid to nor solicit a competitive bid on behalf of any governmental entity that is prohibited by the Professional Services Procurement Act, Subchapter A, Chapter 2254, Government Code, from making a selection or awarding a contract on the basis of competitive bids. For purposes of this section, the term "competitive bid" means information which specifies the fee charged by an Architect for a professional service, including information from which such fee may be extrapolated or indirectly determined. - (c) An Architect who fails to renew his/her certificate of registration prior to its annual expiration date shall not use the title "architect" and shall not "practice architecture" as defined by §1051.001 of the Texas Occupations Code until after the Architect's certificate of registration has been properly renewed.

Note: The provisions of this §1.148 adopted to be effective March 1, 2001, 26 TexReg 1712; amended to be effective July 5, 2004, 29 TexReg 6275; amended to be effective January 11, 2017, 42 TexReg 11.

1.149 CRIMINAL CONVICTIONS

(a) Pursuant to Chapter 53, Texas Occupations Code and §2005.052, Texas Government Code, the Board may suspend or revoke an existing certificate of registration, disqualify a person from receiving a certificate of registration, issue a provisional license subject to the terms and limitations of §1.27 of this chapter (relating to Provisional Licensure), or deny to a person the opportunity to be examined for a certificate of registration because of the person's conviction for committing an offense if:

- (1) the offense directly relates to the duties and responsibilities of an Architect;
- (2) the offense is listed in Article 42A.054, Texas Code of Criminal Procedure; or
- (3) the offense is a sexually violent offense, as defined by Article 62.001, Texas Code of Criminal Procedure.

(b) The following procedures will apply in the consideration of an application for registration as an Architect or in the consideration of a Registrant's criminal history:

(1) Effective January 1, 2014, each Applicant shall submit a complete and legible set of fingerprints to the Department of Public Safety or a vendor under contract with the Department for the purpose of obtaining criminal history record information from the Department and the Federal Bureau of Investigation. The Applicant shall pay the cost of conducting the criminal history background check to the Department or the vendor on behalf of the Department. An Applicant who does not submit fingerprints in accordance with this subsection is ineligible for registration.

(2) Effective January 1, 2014, each Registrant on active status or returning to active status who has not submitted a set of fingerprints pursuant to paragraph (1) of this subsection shall submit a complete and legible set of fingerprints to the Department of Public Safety or a vendor under contract with the Department for the purpose of obtaining criminal history record information from the Department and the Federal Bureau of Investigation. The Registrant shall pay the cost of conducting the criminal history background check to the Department or the vendor on behalf of the Department. A Registrant who does not submit fingerprints in accordance with this subsection is ineligible for renewal of, or returning to, active registration. A Registrant is not required to submit fingerprints under this paragraph for the

renewal of, or returning to, active registration if the Registrant previously submitted fingerprints under paragraph (1) of this subsection for initial registration or under this paragraph for a previous renewal of, or return to, active registration.

(3) The executive director may contact an Applicant or Registrant regarding any information about a criminal conviction, other than a minor traffic offense, disclosed in the Applicant's or Registrant's criminal history record. If the executive director intends to pursue revocation or suspension of a registration, or denial of a registration or opportunity to be examined for a registration because of a person's prior conviction of an offense, the executive director must:

(A) provide written notice to the person of the reason for the intended denial; and

(B) allow the person not less than 30 days to submit any relevant information to the Board.

(4) The notice provided by the executive director under this subsection must contain:

(A) a statement that the person is disqualified from being registered or being examined for registration because of the person's prior conviction of an offense specified in the notice; or

(B) a statement that:

(i) the final decision of the Board to revoke or suspend the registration or deny the person a registration or the opportunity to be examined for the registration will be based on the factors listed in subsection (d) of this section; and

(ii) it is the person's responsibility to obtain and provide to the Board evidence regarding the factors listed in subsection (d) of this section.

(5) If the executive director determines the conviction might be directly related to the duties and responsibilities of an Architect, the Board's staff will obtain sufficient details regarding the conviction to allow the Board to determine the effect of the conviction on the Applicant's eligibility for registration or on the Registrant's fitness for continued registration.

(c) In determining whether a criminal conviction is directly related to the duties and responsibilities of an Architect, the executive director and the Board shall consider each of the following factors:

(1) the nature and seriousness of the crime;

(2) the relationship of the crime to the purposes for requiring a license to practice architecture;

(3) the extent to which architectural registration might offer an opportunity to engage in further criminal activity of the same type as that in which the Applicant or Registrant had been involved; and

(4) the relationship of the crime to the ability or capacity required to perform the duties and discharge the responsibilities of an Architect; and

(5) any correlation between the elements of the crime and the duties and responsibilities of an Architect.

(d) If the executive director or the Board determines under subsection (c) of this section that a criminal conviction directly relates to the duties and responsibilities of an Architect, the executive director and the Board shall consider the following in determining whether to suspend or revoke a registration, disqualify a person from receiving a registration, or deny to a person the opportunity to take a registration examination:

(1) the extent and nature of the Applicant's or Registrant's past criminal activity;

(2) the age of the Applicant or Registrant at the time the crime was committed;

(3) the amount of time that has elapsed since the Applicant's or Registrant's last criminal activity;

(4) the conduct and work activity of the Applicant or Registrant prior to and following the criminal activity;

(5) evidence of the Applicant's or Registrant's rehabilitation or rehabilitative effort while incarcerated or after release;

(6) evidence of the person's compliance with any conditions of community supervision, parole, or mandatory supervision; and

(7) other evidence of the Applicant's or Registrant's fitness to practice as an Architect, including letters of recommendation.

(e) Crimes directly related to the duties and responsibilities of a Registered Architect include any crime that reflects a lack of fitness for professional licensure or a disregard of the standards commonly upheld for the professional Practice of Architecture, such as the following:

(1) criminal negligence;

(2) soliciting, offering, giving, or receiving any form of bribe;

- (3) the unauthorized use of property, funds, or proprietary information belonging to a client or employer;
- (4) acts relating to the malicious acquisition, use, or dissemination of confidential information related to architecture; and
- (5) any intentional violation as an individual or as a consenting party of any provision of the Act.
- (f) The Board shall revoke the certificate of registration of any Registrant who is convicted of any felony if the felony conviction results in incarceration. The Board also shall revoke the certificate of registration of any Registrant whose felony probation, parole, or mandatory supervision is revoked.
- (g) If an Applicant is incarcerated as the result of a felony conviction, the Board may not approve the Applicant for registration during the period of incarceration. If an Applicant's felony probation, parole, or mandatory supervision is revoked, the Board may not approve the Applicant for registration until the Applicant successfully completes the sentence imposed as a result of the revocation.
- (h) If the Board takes action against any Applicant or Registrant pursuant to this section, the Board shall provide the Applicant or Registrant with the following information in writing:
 - (1) the reason for rejecting the application or taking action against the Registrant's certificate of registration, including any factor considered under subsections (c) or (d) of this section that served as the basis for the action;
 - (2) notice that upon exhaustion of the administrative remedies provided by the Administrative Procedure Act, Chapter 2001, Government Code, an action may be filed in a district court of Travis County for review of the evidence presented to the Board and its decision. The person must begin the judicial review by filing a petition with the court within 30 days after the Board's decision is final; and
 - (3) the earliest date the person may appeal.
- (i) All proceedings pursuant to this section shall be governed by the Administrative Procedure Act, Chapter 2001, Government Code.

Note: The provisions of this §1.149 adopted to be effective March 1, 2001, 26 TexReg 1712; amended to be effective March 20, 2009, 34 TexReg 1850; amended to be effective November 29, 2010, 35 TexReg 10505; amended to be effective April 13, 2014, 39 TexReg 2573; amended to be effective July 8, 2020, 45 TexReg 4513.

1.150 SUBSTANCE ABUSE

- (a) If in the course of a disciplinary proceeding, it is found by the Board that an Architect's abuse of alcohol or a controlled substance, as defined by the Texas Controlled Substances Act, Chapter 481, Health and Safety Code, contributed to a violation of the Act or the Rules and Regulations of the Board, the Board may condition its disposition of the disciplinary matter on the Architect's completion of a rehabilitation program approved by the Texas Commission on Alcohol and Drug Abuse that may include rehabilitation at a facility also approved by the Commission.
- (b) An Architect's abuse of alcohol or a controlled substance that results in the impairment of the Architect's professional skill so as to cause a direct threat to the property, safety, health, or welfare of the public may be deemed "Gross Incompetency" and may be grounds for the indefinite suspension of an Architect's certificate of registration until such time as he or she is able to demonstrate to the Board's satisfaction that the reasons for suspension no longer exist and that the termination of the suspension would not endanger the public.
- (c) In order to determine whether abuse of alcohol or a controlled substance contributed to a violation or has resulted in "gross incompetency," the Board may order an examination by one or more health care providers trained in the diagnosis or treatment of substance abuse.

Note: The provisions of this §1.150 adopted to be effective March 1, 2001, 26 TexReg 1712.

1.151 EFFECT OF ENFORCEMENT PROCEEDINGS ON APPLICATION

- (a) The application of an Applicant against whom the Board has initiated an enforcement proceeding may be held at the Board's discretion, without approval, disapproval, or denial until:
 - (1) all enforcement proceedings have been terminated by a final judgment or order and the time for appeal has expired, or if an appeal is taken, such appeal has been terminated;
 - (2) the Applicant is in full compliance with all orders and judgments of the court, all orders and rules of the Board, and all provisions of the Act; and

- (3) the Applicant has complied with all requests of the Board for information related to such compliance, upon which the Board shall complete the consideration of the application in the regular order of business.
- (b) An "enforcement proceeding" is initiated by the commencement of an investigation that is based either on a formal complaint filed with the Board or on information presented to the Board that establishes probable cause for a belief in the existence of facts that would constitute a violation of the Act or the Rules and Regulations of the Board.
- (c) The following sanctions may be imposed against an Applicant who is found to have falsified information provided to the Board, violated any of the practice or title restrictions of the Act, violated any similar practice or title restriction of another jurisdiction, or otherwise violated any of the statutory provisions or rules enforced by the Board:
- (1) reprimand;
 - (2) imposition of an administrative penalty;
 - (3) suspension of the registration certificate upon its effective date;
 - (4) denial of the application; and
 - (5) denial of the right to reapply for registration for a period not to exceed five years.
- (d) The Board may take action against an Applicant for any act or omission if the same conduct would be a ground for disciplinary action against an Architect.
- (e) If an application is denied pursuant to subsection (c) or subsection (d) of this section, the Applicant may not subsequently be approved for registration unless the Applicant:
- (1) demonstrates that he/she has taken reasonable steps to correct the misconduct or deficiency that led to the denial of the previous application;
 - (2) demonstrates that approval of the application is not inconsistent with the Board's duty to protect the public by ensuring that registrants are duly qualified and fit for registration; and
 - (3) pays all fees and costs incurred by the Board as a result of any proceeding that led to the denial of the previous application.

Note: the provisions of this §1.151 adopted to be effective March 1, 2001, 26 TexReg 1712; amended to be effective July 5, 2004, 29 TexReg 6276.

1.153 DEFERRED ADJUDICATION

- (a) For purposes of §1.27 and §1.149 of this chapter (relating to Provisional Licensure and Criminal Convictions), a person is not convicted for committing a criminal offense if:
- (1) the person entered a plea of guilty or nolo contendere;
 - (2) the court deferred further proceedings without entering an adjudication of guilt and placed the person under the supervision of the court or an officer of the court; and
 - (3) at the conclusion of a period of supervision, the judge dismissed the proceedings and discharged the person.
- (b) Notwithstanding subsection (a) of this section, the executive director or the Board may consider a person to have been convicted of a criminal offense regardless of whether the proceedings were dismissed and the person was discharged as described by subsection (a) of this section if:
- (1) the person was charged with:
 - (A) any offense described by Article 62.001(5), Code of Criminal Procedure; or
 - (B) an offense other than an offense described by subparagraph (A) of this paragraph if:
 - (i) the person has not completed the period of supervision or the person completed the period of supervision less than five years before the date the person applied for registration; or
 - (ii) a conviction for the offense would make the person ineligible for registration by operation of law; and
 - (2) after consideration of the factors described by §1.149(c) or (d) of this chapter, the executive director or the Board determines that:
 - (A) the person may pose a continued threat to public safety; or
 - (B) employment of the person as an Architect would create a situation in which the person has an opportunity to repeat the prohibited conduct.
- (c) If a person pleads guilty or nolo contendere to conduct which is a violation of a law enforced by the Board, regardless of whether adjudication is deferred, the Board may take disciplinary action.

Note: *The provisions of this §1.153 adopted to be effective November 29, 2010, 35 TexReg 10505; amended to be effective July 8, 2020, 45 TexReg 4513.*

(b) A complaint should be submitted on the complaint form that may be obtained by accessing the form on the Board's Web site or by contacting the Board's staff. If a completed complaint form is not submitted, the Board's staff will not be able to initiate an investigation unless the Board's staff receives information sufficient to establish probable cause to believe an actionable violation might have occurred.

(c) Once a complaint has been received, the Board's enforcement staff shall:

(1) conduct a preliminary evaluation of the complaint within thirty (30) days to determine:

- (A) Jurisdiction: whether the complaint provides information sufficient to establish probable cause for the Board's staff to believe an actionable violation might have occurred;

- (C) Priority Level: the seriousness of the complaint relative to other pending enforcement matters;

If the complainant or respondent requests a copy of the policies and procedures in written format a copy shall be mailed upon request.

- (4) maintain a complaint file that includes at least:
 - (A) the name of the person who filed the complaint unless the complaint was filed anonymously;
 - (B) the date the complaint was received by the Board's staff;
 - (C) a description of the subject matter of the complaint;

- (e) After the preliminary evaluation period, the Board's staff shall take steps to dismiss the complaint or proceed with an investigation of the allegation(s) against the respondent. A complaint may be referred to another government agency if it appears that the other agency might have jurisdiction over the issue(s) raised in the complaint.
- (f) If the Board's staff proceeds with an investigation, the staff shall:
 - (1) investigate the complaint according to the priority level assigned to the complaint;
 - (2) notify the complainant and respondent that, as a result of the staff's preliminary evaluation of the complaint, the staff has determined that the Board has jurisdiction over the allegations(s) described in the complaint and has decided to proceed with an investigation of the allegation(s) against the respondent; and
 - (3) gather sufficient information and evidence to determine whether there is probable cause to believe that a violation of a statutory provision or rule enforced by the Board has occurred.
- (g) The Board's staff may conduct an investigation regardless of whether a complaint form was received as described in subsection (a) of this section.
- (h) If the information and evidence gathered during an investigation are insufficient to establish probable cause to believe that a violation has occurred, the Board's staff shall:
 - (1) dismiss the complaint;
 - (2) send notices to the complainant and respondent regarding the dismissal;
 - (3) if warranted, include in the respondent's notice a recommendation or warning regarding the respondent's future conduct; and
 - (4) if a complaint is determined to be unfounded, state in the respondent's notice that no violation was found.
- (i) If the information and evidence gathered during an investigation are sufficient to establish probable cause to believe that a violation has occurred, the Board's staff shall:
 - (1) seek to resolve the matter pursuant to §§1.165, 1.166 or 1.173 of this subchapter; or
 - (2) issue a warning in accordance with Subsection (j).
- (j) A warning may be issued by the Executive Director only as follows:
 - (1) the violation is the Respondent's only violation of the Board's laws and rules;
 - (2) the Respondent has not previously been subject to a Board warning or order;
 - (3) the Respondent has provided a satisfactory remedy which has eliminated any harm or threat to the health or safety of the public; and
 - (4) The Respondent has committed one of the following violations:

- (A) failure to provide or timely provide plans and specifications to TDLR under the requirements of Govt. Code Chap. 469 (Elimination of Architectural Barriers);

- (E) Use of a non-compliant seal by registrant;
- (F) Failure to register or annually renew the registration of a business; or
- (G) Creation of misleading impression by an architect advertising for services.
- (k) The decision to issue a warning is at the sole discretion of the Executive Director and not available as a result of a contested case proceeding conducted pursuant to the Government Code Chapter 2001.
- (l) Before a proposed settlement agreement may be approved by the Board, the terms of the agreement must be reviewed by legal counsel for the Board to ensure that all legal requirements have been satisfied.
- (m) If a complaint is dismissed, the complainant may submit to the Executive Director a written request for reconsideration. The written request must explain why the complaint should not have been dismissed. The Executive Director may, but is not required to, respond to the request for reconsideration.

1.210 ARCHITECTURAL PLANS AND SPECIFICATIONS

(a) Architectural education, training and experience as described in §1.21 and §1.191 of this title (relating to Registration by Examination and Description of Experience Required for Registration by Examination) are necessary prerequisites for the design of the architectural elements as specified in subsection (b) of this section and the preparation of those architectural plans and specifications for the construction, enlargement, or alteration of a building intended for human use and occupancy. Generally, architectural plans and specifications document the design of architectural elements of buildings and also serve as instructions that integrate and coordinate the design of all building systems and related site components necessary for constructing a building and its environs intended for human use and occupancy. Architectural plans and specifications detail the design of architectural elements of a building, including the form, function, construction, habitability, and appearance of the building and the manner in which humans enter, exit, circulate, and use the interior space of the building and its external environs. An Architect shall coordinate with consultants in the design of a building intended for human use and occupancy in order to integrate all components and systems of the building and its environs.

(b) In accordance with §1051.0016 of the Texas Occupations Code, for purposes of Chapter 1051, Texas Occupations Code, the term "architectural plans or specifications" means a Construction Document that depicts in detail the design of the spatial relationships and the quality of materials and systems required for the construction of a building and its environs. (2) General cross sections and detailed wall sections depicting building components from a hypothetical cut line through a building to include the building's mechanical, electrical, plumbing or structural systems;

(3) Reflected ceiling plans and details depicting:

(A) the design of the location, materials, and connections of the ceiling to the structure; and

(B) the integration of the ceiling with electrical, mechanical, lighting, sprinkler and other building systems.

(4) Finish plans or schedules depicting surface materials on the interior and exterior of the building;

(5) Interior and exterior elevations depicting the design of materials, locations and relationships of components and surfaces;

(6) Partition, door, window, lighting, hardware and fixture schedules;

(7) Manufacturer or fabricator drawings that are integrated into and become part of the Construction Documents; and

(8) Specifications describing the nature, quality, and execution of materials for construction of the elements of the building design depicted in the Construction Documents prepared by the Architect.

(c) Notwithstanding the thresholds within Chapters 1001 and 1051, Texas Occupations Code, the

following architectural plans and specifications may be prepared by a person who is registered as an Architect or licensed as a professional engineer in the State of Texas:

- (1) Site plans depicting the location and orientation of the building on the site based upon:
 - (A) a determination of the relationship of the intended use with the environment, topography, vegetation, climate, geographic aspects; and
 - (B) the legal aspects of site development, including setback requirements, zoning and other legal restrictions; and
 - (2) The depiction of the building systems, including structural, mechanical, electrical, and plumbing systems, in:
 - (A) plan views;
 - (B) cross sections depicting building components from a hypothetical cut line through a building; and
 - (C) the design of details of components and assemblies, including any part of a building exposed to water infiltration or fire-spread considerations;

Note: The provisions of this §1.231 adopted to be effective July 7, 2002, 27 TexReg 5774.

1.232 BOARD RESPONSIBILITIES

(a) The Board shall investigate Contested Case matters and attempt to resolve Contested Cases informally as provided in Subchapter I of this chapter (relating to Disciplinary Action). However, if a Contested Case is not settled informally pursuant to Subchapter I of this chapter, it shall be referred to SOAH for a formal hearing to determine whether there has been a violation of any of the statutory provisions or rules enforced by the Board.

(b) A formal hearing shall be conducted in accordance with the Rules of Procedure of SOAH.

(c) After a formal hearing of a Contested Case, the SOAH administrative law judge who conducted the formal hearing shall prepare a proposal for decision and submit it to the Board so that the Board may render a final decision with regard to the Contested Case. The proposal for decision shall include findings of fact and conclusions of law.

(d) If a party submits proposed findings of fact or conclusions of law, the proposal for decision shall include a ruling on each proposed finding or conclusion.

(e) Any party of record in a Contested Case may request an oral hearing before the Board. A request for an oral hearing shall be filed with the Board and copies shall be served on the administrative law judge and on all other parties in the same manner as for serving other documents in a Contested Case. The Board, in its sole discretion, shall determine whether to grant or deny a request for an oral hearing. If a request for an oral hearing is granted, each party of record shall be allotted 30 minutes to make an oral presentation to the Board. The oral presentation shall be confined to matters contained within the administrative record.

(f) Upon the expiration of the time provided for the filing of exceptions and briefs or, if exceptions and briefs are filed, upon the 10th day following the time provided for the filing of replies to exceptions and briefs, the Board may render a decision to finally resolve a Contested Case. The Board may change a finding of fact or conclusion of law made by an administrative law judge or may vacate or modify an order issued by an administrative law judge only if the Board determines:

(1) that the administrative law judge did not properly apply or interpret applicable law, agency rules, written policies, or prior administrative decisions;

(2) that a prior administrative decision on which the administrative law judge relied is incorrect or should be changed; or

(3) that a technical error in a finding of fact should be changed.

(g) If the Board makes a change to a finding of fact or conclusion of law or vacates or modifies an order pursuant to subsection (f) of this section, the Board must state in writing the specific reason and the legal basis for the change.

(h) The Board shall issue a written order regarding the Board's decision to finally resolve a Contested Case that is not settled informally. The written order shall include findings of fact and conclusions of law that are based on the official record of the Contested Case. The written order may adopt by reference the findings of fact and conclusions of law made by an administrative law judge and included in the proposal for decision submitted to the Board.

(i) Motions for rehearing and appeals may be filed and judicial review of final decisions of the Board may be sought pursuant to the Administrative Procedure Act. The party who appeals a final decision in a Contested Case shall be responsible for the cost of the preparation of the original or a certified copy of the record of the agency proceeding that is required to be sent to the reviewing court.
