5.55 SPECIAL ACCOMMODATIONS

(a) In accordance with the Americans with Disabilities Act (ADA), every registration examination must be conducted in an accessible place and manner, or alternative accessible arrangements must be afforded so that no qualified individual with a disability is unreasonably denied the opportunity to complete the licensure process because of his/her disability.
(b) Special accommodations can be provided for examinees with physical or mental impairments that substantially limit major life activities. Available accommodations include the modification of examination procedures and the provision of auxiliary aids and services designed to furnish an individual with a disability an equal opportunity to demonstrate his/her knowledge, skills, and ability.
(c) The Board is not required to approve every request for accommodation or auxiliary aid or provide every accommodation or service as requested. The Board is not required to grant a request for accommodation if doing so would fundamentally alter the measurement of knowledge or the measurement of a skill intended to be tested by the examination or would create an undue financial or administrative burden.
(d) Procedure for requesting accommodation:
(1) To protect the integrity of the testing process, an examinee requesting an accommodation must submit documentation regarding the existence of a disability and the reason the requested accommodation is necessary to provide the examinee with an equal opportunity to exhibit his/her knowledge, skills, and ability through the examination. The Board shall evaluate each request on a case-by-case basis.
(2) An examinee requesting an accommodation must have a licensed health care professional or other qualified evaluator provide certification regarding the disability as described in subsection (e) of this section.
(3) An examinee seeking an accommodation must make a request for accommodation on the prescribed form and provide documentation of the need for accommodation well in advance of the examination date. If the form is submitted less than sixty (60) days prior to the examination date, the Board will attempt to process the request but might not be able to provide the necessary accommodation for the next examination.
(e) The following information is required to support a request for an accommodation or an auxiliary aid:
(1) Identification of the type of disability (physical, mental, learning);
(2) Credential requirements of the evaluator:
(A) For physical or mental disabilities (not including learning), the evaluator shall be a licensed health care professional qualified to assess the type of disability claimed. If a person who does not fit these
criteria completes the evaluation, the Board may reject the evaluation and require another evaluation, and the request for accommodation may be delayed.

(B) In the case of learning disabilities, a qualified evaluator shall have sufficient experience to be considered qualified to evaluate the existence of learning disabilities and proposed accommodations needed for specific learning disabilities. The evaluator shall be one of the following:

(i) a licensed physician or psychologist with a minimum of three years' experience working with adults with learning disabilities; or

(ii) another professional who possesses a master's or doctorate degree in special education or educational psychology and who has at least three years of equivalent training and experience in all of the areas described below:

(I) assessing intellectual ability and interpreting tests of such ability;

(II) screening for cultural, emotional, and motivational factors;

(III) assessing achievement level; and

(IV) administering tests to measure attention and concentration, memory, language reception and expression, cognition, reading, spelling, writing, and mathematics.

(3) Professional verification of the disability, which shall include a description of:

(A) the nature and extent of the disability, including a description of its effect on major life activities and the anticipated duration of the impairment;

(B) the effect of the disability on the examinee's ability to:

(i) evaluate written material;

(ii) complete graphic sections of the examination by drawing, drafting, and lettering; and

(iii) complete computerized sections of the examination that require data entry via keyboard and the manipulation of a mouse.

(C) whether the disability limits the amount of time the examinee can spend on specific examination tasks;

(D) the recommended accommodation and how it relates to the examinee's disability;

(E) the professional's name, title, telephone number, and his/her original signature;

(F) any other information necessary, in the professional's opinion, to enable the exam provider to understand the examinee's disability and the accommodation necessary to enable the examinee to demonstrate his/her knowledge, skills, and ability.

(f) Documentation supporting an accommodation shall be valid for five (5) years from the date submitted to the Board except that no further documentation shall be required where the original documentation clearly states that the disability will not change in the future.

(g) The Board has the responsibility to evaluate each request for accommodation and to approve, deny, or suggest alternative reasonable accommodations. The Board may consider an examinee's history of accommodation in determining its reasonableness in relation to the currently identified impact of the disability.

(h) Information related to a request for accommodation shall be kept confidential to the extent provided by law.

Note: The provisions of this §5.55 adopted to be effective April 4, 2004, 29 TexReg 3471; amended to be effective January 1, 2018, 42 TexReg 7403.

(d) If, in the course of his/her work on an Interior Design project, a Registered Interior Designer becomes aware of a course of action taken against the Registered Interior Designer's advice which may violate an applicable statute, code, or other regulatory provision and which is reasonably likely to have a material adverse effect on the safe use of the completed project, the Registered Interior Designer shall:

(1) report the course of action in writing to the owner, to the local building official with jurisdiction over the project, and to other responsible parties; and

(2) refuse to consent to the course of action.

In carrying out its responsibility to insure strict enforcement of the Interior Designers’ Registration Law (the Act), the Board may investigate circumstances which appear to violate or abridge the requirements of the Act or the rules dealing with the practice of Interior Design and the use of the title "registered interior designer." Violations of the Act or the rules which cannot be readily resolved through settlement shall be disposed of by administrative, civil, or criminal proceedings as authorized by law.

Note: The provisions of this §5.131 adopted to be effective September 19, 1996, 21 TexReg 8679; amended to be effective February 27, 2001, 26 TexReg 1724; amended to be effective December 29, 2009, 34 TexReg 9443.

5.132 ASSOCIATION
(a) A Registered Interior Designer or a Principal on behalf of an Interior Design firm who forms a business association to jointly provide services designated as "interior design" with any Nonregistrant who is:
   (1) not an employee of the Registered Interior Designer or the Interior Design firm;
   (2) not a client of the Registered Interior Designer or the Interior Design firm; and
   (3) not a subcontractor nor a consultant of the Registered Interior Designer or Interior Design firm under contract with a client except as described in paragraph (e); shall, prior to providing such services on behalf of the business association, enter into a written agreement of association with the Nonregistrant whereby the Registered Interior Designer or the Interior Design firm agrees to be responsible for the preparation of all Construction Documents issued by the association.
   (b) The written agreement of association shall include the following:
      (1) The date when the agreement to associate is effective;
      (2) The name, address, telephone number, registration number, and signature of the Registered Interior Designer or the Principal on behalf of the Interior Design firm which has agreed to associate with the Nonregistrant;

   (d) The Registered Interior Designer who seals Construction Documents on behalf of the association shall retain paper or electronic copies of them together with the written agreement of association and make them available for review by the Board for ten (10) years after the date of the Interior Designer’s signature on the Construction Documents.
   (e) If, pursuant to §1053.002(b) of the Texas Occupations Code, a Texas Registered Interior Designer associates with a person who is not a Texas Registered Interior Designer but is registered as an interior designer in another jurisdiction and does not maintain or open an office in Texas, the Texas Registered Interior Designer shall, at a minimum, exercise Responsible Charge over the preparation of all Construction Documents issued for use in Texas as a result of the association. The Texas Registered Interior Designer shall seal, sign, and date all Construction Documents issued for use in Texas as a result of the association in the same manner as if the Registered Interior Designer had prepared the Construction Documents or they had been prepared under the Registered Interior Designer’s Supervision and Control. All other requirements of this section relating to associations apply to an association between a Registered Interior Designer and a person registered as an interior designer in another jurisdiction regardless of whether the Texas Registered Interior Designer or the interior designer from another jurisdiction acts as the “consultant” as that term is used in §1053.002(b) of the Texas Occupations Code.

SUBCHAPTER H
PROFESSIONAL CONDUCT

5.151 General
(a) These rules of professional conduct are promulgated pursuant to the Interior Designers' Registration Law (the Act), Chapters 1051 and 1053, Texas Occupations Code, which directs the Board to make all rules consistent with the laws and constitution of Texas which are reasonably necessary for the regulation of the practice of Interior Design and the enforcement of the Act. Except as otherwise noted, these rules of professional conduct apply only to situations which are directly or indirectly related to the practice of Interior Design.
(b) The Board may revoke, suspend, or refuse to renew a Registered Interior Designer's certificate of registration, place on probation a Registered Interior Designer whose certificate of registration has been suspended, reprimand a Registered Interior Designer, or assess an administrative penalty against a Registered Interior Designer for a violation of any provision of these rules of professional conduct or other provisions of the Rules and Regulations of the Board or the Act. The Board also may take action against an Applicant pursuant to §5.160 of this title (relating to Effect of Enforcement Proceedings on Application.) A single instance of misconduct may be grounds for disciplinary action by the Board.
(c) Upon a finding of professional misconduct, the Board shall consider the following factors in determining an appropriate sanction or sanctions:
(1) the seriousness of the conduct, including the hazard or potential hazard to the health or safety of the public;
(2) the economic damage or potential damage to property caused by the misconduct;
(3) the respondent's history concerning previous grounds for sanction;
(4) the sanction necessary to deter future misconduct;
(5) efforts to correct the misconduct; and
(6) any other matter justice may require.
(d) These rules of professional conduct are not intended to suggest or define standards of care in civil actions against Registered Interior Designers involving their professional conduct.
(e) A Registered Interior Designer may donate his/her services to charitable causes but must adhere to all provisions of the Act and the Rules and Regulations of the Board in the provision of all interior design services rendered regardless of whether the Interior Designer is paid for the services.

Note: The provisions of this §5.151 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective July 5, 2004, 29 TexReg 6290; amended to be effective March 20, 2009, 34 TexReg 1852; amended to be effective June 13, 2010, 35 TexReg 4707.

5.152 Competence
(a) A Registered Interior Designer shall undertake to perform a professional service only when the Registered Interior Designer, together with those whom the Registered Interior Designer shall engage as consultants, is qualified by education and/or experience in the specific technical areas involved. During the delivery of a professional service, a Registered Interior Designer shall act with reasonable care and competence and shall apply the technical knowledge and skill which is ordinarily applied by reasonably prudent Registered Interior Designers practicing under similar circumstances and conditions.
(b) A Registered Interior Designer shall not affix his/her signature or seal to any Interior Design plan or document dealing with subject matter in which he/she is not qualified by education and/or experience to form a reasonable judgment.
(c) "Gross Incompetency" shall be grounds for disciplinary action by the Board. A Registered Interior Designer may be found guilty of "Gross Incompetency" under any of the following circumstances:
(1) the Registered Interior Designer has engaged in conduct that provided evidence of an inability or lack of skill or knowledge necessary to discharge the duty and responsibility required of an Interior Designer;
(2) the Registered Interior Designer engaged in conduct which provided evidence of an extreme lack of knowledge of, or an inability or unwillingness to apply, the principles or skills generally expected of a reasonably prudent Registered Interior Designer under the same or similar circumstances;
(3) the Registered Interior Designer has been adjudicated mentally incompetent by a court; or
(4) pursuant to §5.159(b) of this title (relating to substance abuse.)

Note: The provisions of this §5.152 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective June 13, 2010, 35 TexReg 4707; amended to be effective March 3, 2013, 38 TexReg 1184.

5.153 RECKLESSNESS
(a) A Registered Interior Designer shall not practice Interior Design in any manner which, when measured by generally accepted Interior Design standards or procedures, is reasonably likely to result or does result in the endangerment of the safety, health, or welfare of the public.
(b) "Recklessness" shall be grounds for disciplinary action by the Board. "Recklessness" shall include the following practices:
(1) conduct which indicates that the Registered Interior Designer is aware of yet consciously disregards a substantial risk of such a nature that its disregard constitutes a significant deviation from the standard of care that a reasonably prudent Registered Interior Designer would exercise under the circumstances;
(2) knowing failure to exercise ordinary care and attention toward the intended result when a procedure, technique, material, or system is employed as a result of a decision made by the Registered Interior Designer and such failure jeopardizes any person's health, safety, or welfare; or
(3) action which demonstrates a conscious disregard for compliance with a statute, regulation, code, ordinance, or recognized standard applicable to the design or construction of a particular project when such disregard jeopardizes any person's health, safety, or welfare.

Note: The provisions of this §5.153 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective June 13, 2010, 35 TexReg 4707.

5.154 DISHONEST PRACTICE
(a) A Registered Interior Designer may not directly or indirectly perform an act, omit an act or allow an omission, make an assertion, or otherwise engage in a practice with the intent to:
(1) defraud;
(2) deceive; or
(3) create a misleading impression.
(b) A Registered Interior Designer may not advertise in a manner which is false, misleading, or deceptive.
(c) A Registered Interior Designer may not directly or indirectly solicit, offer, give, or receive anything or any service of significant value as an inducement or reward to secure any specific publicly funded Interior Design work. A Registered Interior Designer may not give Interior Design plans, design services, pre-bond referendum services, or any other goods or services of significant value to a governmental entity in response to a request for qualifications, a request for proposals, or otherwise during the process to select a Registered Interior Designer to render publicly funded Interior Design work. The term "significant value" is defined to mean any act, article, money, or other material consideration which is of such value or proportion that its offer or acceptance would affect the governmental entity's selection of a Registered Interior Designer or would create the appearance of an obligation or bias on the part of the governmental entity to select the Registered Interior Designer to perform the Interior Design work.
(d) For purposes of this section, a Registered Interior Designer's conduct is intentional, or with intent, if the nature of the conduct or a reasonable result of the conduct demonstrates a conscious objective or desire to engage in the conduct or cause the result. A Registered Interior Designer's intent may be established by circumstantial evidence.
5.155 CONFLICTS OF INTEREST

(a) If a Registered Interior Designer has any business association or financial interest which might reasonably appear to influence the Registered Interior Designer's judgment in connection with the performance of a professional service and thereby jeopardize an interest of the Registered Interior Designer's current or prospective client or employer, the Registered Interior Designer shall promptly inform the client or employer in writing of the circumstances of the business association or financial interest.

(b) A Registered Interior Designer shall not solicit or accept, directly or indirectly, any financial or other valuable consideration, material favor, or other benefit of any substantial nature, financial or otherwise, from more than one party in connection with a single project or assignment unless the circumstances are fully disclosed in writing to all parties.

(c) A Registered Interior Designer shall not solicit or accept, directly or indirectly, any financial or other valuable consideration, material favor, or other benefit of any substantial nature from any supplier of materials or equipment or from any contractor or any consultant in connection with any project on which the Registered Interior Designer is performing or has contracted to perform Interior Design services unless the circumstances are fully disclosed in writing to all parties.

(d) The phrase "benefit of any substantial nature" is defined to mean any act, article, money, or other material consideration which is of such value or proportion that its acceptance creates an obligation or the appearance of an obligation on the part of the Registered Interior Designer or otherwise could adversely affect the Registered Interior Designer's ability to exercise his/her own judgment without regard to such benefit.

Note: The provisions of this §5.155 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective March 29, 2007, 32 TexReg 1746; amended to be effective June 13, 2010, 35 TexReg 4708.

5.156 RESPONSIBILITY TO THE INTERIOR DESIGN PROFESSION

(a) A Registered Interior Designer shall not:

(1) knowingly participate, directly or indirectly, in any plan, scheme, or arrangement having as its purpose the violation of any provision of the Act or any provision of the Rules and Regulations of the Board;

(2) aid or abet, directly or indirectly:

(A) any unregistered person in connection with the unauthorized practice of Interior Design;

(B) any business entity in the practice of Interior Design unless carried on in accordance with the Act;

or

(C) any person or any business entity in the use of a professional seal or other professional identification so as to create the opportunity for the unauthorized practice of Interior Design by any person or any business entity;

(3) fail to exercise reasonable care or diligence to prevent his/her partners, associates, shareholders, and employees from engaging in conduct which, if done by him/her, would violate any provision of the Act or any provision of the Rules and Regulations of the Board.

(b) A Registered Interior Designer possessing knowledge of an Applicant's qualifications for registration shall cooperate with the Board by responding in writing to the Board regarding those qualifications when requested to do so by the Board.

(c) A Registered Interior Designer shall be responsible and accountable for the care, custody, control, and use of his/her interior design seal, professional signature, and other professional identification. A Registered Interior Designer whose seal has been lost, stolen, or otherwise misused shall report the loss, theft, or misuse to the Board immediately upon discovery of the loss, theft, or misuse. The Board may invalidate the registration number of the lost, stolen, or misused seal upon the request of the Registered Interior Designer if the Board deems it necessary.

Note: The provisions of this §5.156 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective June 13, 2010, 35 TexReg 4708.
5.157 PREVENTION OF UNAUTHORIZED PRACTICE
(a) A Registered Interior Designer shall not practice or offer to practice Interior Design in any governmental jurisdiction in which to do so would be in violation of a law regulating the practice of Interior Design in that jurisdiction.
(b) The revocation, suspension, refusal to renew, or denial of a registration to practice Interior Design in another jurisdiction shall be sufficient cause for the revocation, suspension, refusal to renew, or denial of a registration to practice Interior Design in the State of Texas.
(c) A Registered Interior Designer who fails to renew his/her certificate of registration prior to its annual expiration date shall not use the title "Registered Interior Designer" to describe himself/herself until after the Registered Interior Designer's certificate of registration has been properly renewed.

Note: The provisions of this §5.157 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective July 5, 2004, 29 TexReg 6290; amended to be effective June 13, 2010, 35 TexReg 4709.

5.158 CRIMINAL CONVICTIONS
(a) Pursuant to Chapter 53, Texas Occupations Code and §2005.052, Texas Government Code, the Board may suspend or revoke an existing certificate of registration, disqualify a person from receiving a certificate of registration, issue a provisional license subject to the terms and limitations of §5.37 of this chapter (relating to Provisional Licensure), or deny to a person the opportunity to be examined for a certificate of registration because of the person's conviction for committing an offense if:
(1) the offense directly relates to the duties and responsibilities of a Registered Interior Designer;
(2) the offense is listed in Article 42A.054, Texas Code of Criminal Procedure; or
(3) the offense is a sexually violent offense, as defined by Article 62.001, Texas Code of Criminal Procedure.
(b) The following procedures will apply in the consideration of an application for registration as a Registered Interior Designer or in the consideration of a Registrant's criminal history:
(1) Effective January 1, 2014, each Applicant shall submit a complete and legible set of fingerprints to the Department of Public Safety or a vendor under contract with the Department for the purpose of obtaining criminal history record information from the Department and the Federal Bureau of Investigation. The Applicant shall pay the cost of conducting the criminal history background check to the Department or the vendor on behalf of the Department. An Applicant who does not submit fingerprints in accordance with this subsection is ineligible for registration.
(2) Effective January 1, 2014, each Registrant on active status or returning to active status who has not submitted a set of fingerprints pursuant to paragraph (1) of this subsection shall submit a complete and legible set of fingerprints to the Department of Public Safety or a vendor under contract with the Department for the purpose of obtaining criminal history record information from the Department and the Federal Bureau of Investigation. The Registrant shall pay the cost of conducting the criminal history background check to the Department or the vendor on behalf of the Department. A Registrant who does not submit fingerprints in accordance with this subsection is ineligible for renewal of, or returning to, active registration. A Registrant is not required to submit fingerprints under this paragraph for the renewal of, or returning to, active registration if the Registrant previously submitted fingerprints under paragraph (1) of this subsection for initial registration or under this paragraph for a previous renewal of, or return to, active registration.
(3) The executive director may contact the Applicant or Registrant regarding any information about a criminal conviction, other than a minor traffic offense, disclosed in the Applicant's or Registrant's criminal history record. If the executive director intends to pursue revocation or suspension of a registration, or denial of a registration or opportunity to be examined for a registration because of a person's prior conviction of an offense, the executive director must:
(A) provide written notice to the person of the reason for the intended denial; and
(B) allow the person not less than 30 days to submit any relevant information to the Board.
(4) The notice provided by the executive director under this subsection must contain:
(A) a statement that the person is disqualified from being registered or being examined for registration because of the person's prior conviction of an offense specified in the notice; or
(B) a statement that:
(i) the final decision of the Board to revoke or suspend the registration or deny the person a registration or the opportunity to be examined for the registration will be based on the factors listed in subsection (d) of this section; and
(ii) it is the person's responsibility to obtain and provide to the Board evidence regarding the factors listed in subsection (d) of this section.

(5) If the executive director determines the conviction might be directly related to the duties and responsibilities of a Registered Interior Designer, the Board's staff will obtain sufficient details regarding the conviction to allow the Board to determine the effect of the conviction on the Applicant's eligibility for registration or on the Registrant's fitness for continued registration.

(c) In determining whether a criminal conviction is directly related to the duties and responsibilities of a Registered Interior Designer, the executive director and the Board shall consider each of the following factors:

(1) the nature and seriousness of the crime;
(2) the relationship of the crime to the purposes for requiring a license to practice Interior Design;
(3) the extent to which Interior Design registration might offer an opportunity to engage in further criminal activity of the same type as that in which the Applicant or Registrant had been involved;
(4) the relationship of the crime to the ability or capacity required to perform the duties and discharge the responsibilities of a Registered Interior Designer; and
(5) any correlation between the elements of the crime and the duties and responsibilities of a Registered Interior Designer.

(d) If the executive director or the Board determines under subsection (c) of this section that a criminal conviction directly relates to the duties and responsibilities of a Registered Interior Designer, the executive director and the Board shall consider the following in determining whether to suspend or revoke a registration, disqualify a person from receiving a registration, or deny to a person the opportunity to take a registration examination:

(1) the extent and nature of the Applicant's or Registrant's past criminal activity;
(2) the age of the Applicant or Registrant at the time the crime was committed;
(3) the amount of time that has elapsed since the Applicant's or Registrant's last criminal activity;
(4) the conduct and work activity of the Applicant or Registrant prior to and following the criminal activity;
(5) evidence of the Applicant's or Registrant's rehabilitation or rehabilitative effort while incarcerated or after release;
(6) evidence of the person's compliance with any conditions of community supervision, parole, or mandatory supervision; and
(7) other evidence of the Applicant's or Registrant's fitness to practice as a Registered Interior Designer, including letters of recommendation.

(e) Crimes directly related to the duties and responsibilities of a Registered Interior Designer include any crime that reflects a lack of fitness for professional licensure or a disregard of the standards commonly upheld for the professional practice of Interior Design, such as the following:

(1) criminal negligence;
(2) soliciting, offering, giving, or receiving any form of bribe;
(3) the unauthorized use of property, funds, or proprietary information belonging to a client or employer;

(f) The Board shall revoke the certificate of registration of any Registrant who is convicted of any felony if the felony conviction results in incarceration. The Board also shall revoke the certificate of registration of any Registrant whose felony probation, parole, or mandatory supervision is revoked.

(g) If an Applicant is incarcerated as the result of a felony conviction, the Board may not approve the Applicant for registration during the period of incarceration. If an Applicant's felony probation, parole, or mandatory supervision is revoked, the Board may not approve the Applicant for registration until the Applicant successfully completes the sentence imposed as a result of the revocation.

(h) If the Board takes action against any Applicant or Registrant pursuant to this section, the Board shall provide the Applicant or Registrant with the following information in writing:
(1) the reason for rejecting the application or taking action against the Registrant's certificate of registration, including any factor considered under subsections (c) or (d) of this section that served as the basis for the action;

(2) notice that upon exhaustion of the administrative remedies provided by the Administrative Procedure Act, Chapter 2001, Government Code, an action may be filed in a district court of Travis County for review of the evidence presented to the Board and its decision. The person must begin the judicial review by filing a petition with the court within 30 days after the Board's decision is final; and

5.159 SUBSTANCE ABUSE

(a) If in the course of a disciplinary proceeding, it is found by the Board that a Registered Interior Designer's abuse of alcohol or a controlled substance, as defined by the Texas Controlled Substances Act, Chapter 481, Health and Safety Code, contributed to a violation of the Act or the Rules and Regulations of the Board, the Board may condition its disposition of the disciplinary matter on the Interior Designer's completion of a rehabilitation program approved by the Texas Commission on Alcohol and Drug Abuse that may include rehabilitation at a facility also approved by the Commission.

(b) A Registered Interior Designer's abuse of alcohol or a controlled substance that results in the impairment of the Registered Interior Designer's professional skill so as to cause a direct threat to the property, safety, health, or welfare of the public may be deemed "Gross Incompetency" and may be grounds for the indefinite suspension of a Registered Interior Designer's certificate of registration until such time as he or she is able to demonstrate to the Board's satisfaction that the reasons for suspension no longer exist and that the termination of the suspension would not endanger the public.

(c) In order to determine whether abuse of alcohol or a controlled substance contributed to a violation or has resulted in "gross incompetency," the Board may order an examination by one or more health care providers trained in the diagnosis or treatment of substance abuse.

Note: The provisions of this §5.159 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective June 13, 2010, 35 TexReg 4709.

5.160 EFFECT OF ENFORCEMENT PROCEEDINGS ON APPLICATION

(a) The application of an Applicant against whom the Board has initiated an enforcement proceeding may be held at the Board's discretion, without approval, disapproval, or denial until:

(1) all enforcement proceedings have been terminated by a final judgment or order and the time for appeal has expired, or if an appeal is taken, such appeal has been terminated;

(2) the Applicant is in full compliance with all orders and judgments of the court, all orders and rules of the Board, and all provisions of the Act; and

(3) the Applicant has complied with all requests of the Board for information related to such compliance, upon which the Board shall complete the consideration of the application in the regular order of business.

(b) An "enforcement proceeding" is initiated by the commencement of an investigation that is based either on a formal complaint filed with the Board or on information presented to the Board that establishes probable cause for a belief in the existence of facts that would constitute a violation of the Act or the Rules and Regulations of the Board.

(c) The following sanctions may be imposed against an Applicant who is found to have falsified information provided to the Board, violated any of the practice or title restrictions of the Act, violated any similar practice or title restriction of another jurisdiction, or otherwise violated any of the statutory provisions or rules enforced by the Board:

(1) reprimand;

(2) imposition of an administrative penalty;

(3) suspension of the registration certificate upon its effective date;
(4) denial of the application; and
(5) denial of the right to reapply for registration for a period not to exceed five years.
(d) The Board may take action against an Applicant for any act or omission if the same conduct would be a ground for disciplinary action against a Registered Interior Designer.
(e) If an application is denied pursuant to subsection (c) or subsection (d) of this section, the Applicant may not subsequently be approved for registration unless the Applicant:
(1) demonstrates that he/she has taken reasonable steps to correct the misconduct or deficiency that led to the denial of the previous application;
(2) demonstrates that approval of the application is not inconsistent with the Board’s duty to protect the public by ensuring that registrants are duly qualified and fit for registration; and
(3) pays all fees and costs incurred by the Board as a result of any proceeding that led to the denial of the previous application.

Note: The provisions of this §5.160 adopted to be effective March 1, 2001, 26 TexReg 1726; amended to be effective July 5, 2004, 29 TexReg 6291; amended to be effective June 13, 2010, 35 TexReg 4709.

5.162 DEFERRED ADJUDICATION
(a) For purposes of §5.37 and §5.158 of this chapter (relating to Provisional Licensure and Criminal Convictions), a person is not convicted for committing a criminal offense if:
(1) the person entered a plea of guilty or nolo contendere;
(2) the court deferred further proceedings without entering an adjudication of guilt and placed the person under the supervision of the court or an officer of the court; and
(3) at the conclusion of a period of supervision, the judge dismissed the proceedings and discharged the person.
(b) Notwithstanding subsection (a) of this section, the executive director or the Board may consider a person to have been convicted of a criminal offense regardless of whether the proceedings were dismissed and the person was discharged as described by subsection (a) of this section if:
(1) the person was charged with:
   (A) any offense described by Article 62.001(5), Code of Criminal Procedure; or
   (B) an offense other than an offense described by subparagraph (A) of this paragraph if:
      (i) the person has not completed the period of supervision or the person completed the period of supervision less than five years before the date the person applied for registration; or
      (ii) a conviction for the offense would make the person ineligible for registration by operation of law; and
(2) after consideration of the factors described by §5.158(c) or (d) of this chapter, the executive director or the Board determines that:
   (A) the person may pose a continued threat to public safety; or
   (B) employment of the person as a Registered Interior Designer would create a situation in which the person has an opportunity to repeat the prohibited conduct.
(c) If a person pleads guilty or nolo contendere to conduct which is a violation of a law enforced by the Board, regardless of whether adjudication is deferred, the Board may take disciplinary action.

Note: The provisions of this §5.162 adopted to be effective November 29, 2010, 35 TexReg 10509; amended to be effective July 8, 2020, 45 TexReg 4517.

   (2) information provided in a registration application or renewal form; or

The settlement agreement must include written findings of fact and conclusions of law and may be in the form of a consent order, letter of reprimand, or other format approved by the Executive Director.

(c) If the Board rejects a settlement agreement, the respondent shall have the opportunity to agree to alternative settlement terms approved by the Board. If the respondent does not agree to alternative settlement terms approved by the Board, the case shall be referred to the State Office of Administrative Hearings for a formal hearing.

(d) If the respondent and the Executive Director do not agree in writing to a settlement agreement, the case shall be referred to the State Office of Administrative Hearings for a formal hearing.

(e) An informal disposition may be made of a Contested Case by default. Default occurs whenever a respondent neither answers nor makes other written response to the filing of a Complaint or Petition at the State Office of Administrative Hearings alleging a violation of any law or Rule over which TBAE possesses jurisdiction. Default also occurs if the respondent fails to appear at a scheduled and properly noticed hearing to be conducted by the State Office of Administrative Hearings.

(f) The Board and the Executive Director shall take into account the following factors when considering a proposed settlement agreement:

1. the nature, circumstances, extent, and gravity of any relevant act or omission;

3. the economic harm resulting from the conduct;
4. the respondent's history concerning any previous ground for sanction;

The publication may include a narrative summary of the facts giving rise to disciplinary action and a description of the action taken.
(b) In addition to other types of disciplinary action that shall be publicized pursuant to this section, the Board shall publicize the revocation or cancellation of a certificate of registration after its surrender in lieu of potential disciplinary action.

(b) A Registered Interior Designer’s failure to submit documents to the Texas Department of Licensing and Regulation as required by subsection (a) of this section, shall result in a written warning from the Executive Director. An administrative penalty shall be imposed upon second and subsequent failures.
(c) When considering potential disciplinary action, including imposition of an administrative penalty, the Board and the Executive Director shall take into account the number of previous incidents involving a registrant’s failure to timely submit documents to the Texas Department of Licensing and Regulation and the length of the delay in making the present submission.

Note: The provisions of this §5.180 adopted to be effective January 8, 2002, 27 TexReg 168; amended to be effective October 18, 2009, 34 TexReg 7079; amended to be effective June 13, 2010, 35 TexReg 4710.

Note: The provisions of this §5.181 adopted to be effective January 8, 2002, 27 TexReg 168; amended to be effective October 18, 2009, 34 TexReg 7079; amended to be effective June 13, 2010, 35 TexReg 4710.

5.182 CONTINUING VIOLATION
(a) Each day a violation of any statutory provision or rule enforced by the Board occurs or continues may be considered a separate violation subject to disciplinary action by the Board.
(b) Each sheet of Interior Design plans and each separate section of the specifications which are prepared, modified or issued in violation of these rules or any laws over which the Board has jurisdiction shall each be considered an independent violation of applicable rules and laws.

Note: The provisions of this §5.182 adopted to be effective January 8, 2002, 27 TexReg 168; amended to be effective October 18, 2009, 34 TexReg 7079; amended to be effective June 13, 2010, 35 TexReg 4711.

(1) judicial proceedings for injunctive relief;
(2) issuance of a cease and desist order from the Board; or
(3) denial of registration as a Registered Interior Designer, if applicable.
(b) In taking action against a Nonregistrant, the Board may be represented by agency staff, the Texas Attorney General, by a county or district attorney, or by other counsel as necessary.
(c) The following process shall be used to issue a cease and desist order to a Nonregistrant:
(1) If the Executive Director determines that a Nonregistrant is violating, or has violated, Texas Occupations Code Chapter 1053 or this Chapter, the Executive Director may issue to the Nonregistrant...
a written notice describing the alleged violation and the Executive Director's intention to request that the Board issue a cease and desist order. The written notice shall offer the Nonregistrant an opportunity to request a hearing before an Administrative Law Judge at the State Office of Administrative Hearings.

(2) If the Nonregistrant does not request a hearing before the 22nd day after the date of receiving notice, the board may:

(A) issue a cease and desist order; and
(B) refer the violation to the attorney general for further action.

(3) If the Nonregistrant requests a hearing before the 22nd day after the date of receiving notice, the board shall hold the hearing at the State Office of Administrative Hearings not later than the 30th day after the date the board receives the request for the hearing. A hearing under this section is subject to Chapter 2001, Government Code.

(d) Notwithstanding any other law or rule, the Board shall not impose an administrative penalty against a Nonregistrant for a violation of Texas Occupations Code Chapter 1053 or this Chapter. If a Nonregistrant has committed a violation that would otherwise result in the imposition of an administrative penalty under Board Rules §5.187 and/or §5.242, the Board shall consider a remedy described in subsection (a) of this section in lieu of an administrative penalty.

Note: The provisions of this §5.183 adopted to be effective January 8, 2002, 27 TexReg 168; amended to be effective July 5, 2004, 29 TexReg 6292; amended to be effective October 18, 2009, 34 TexReg 7079; amended to be effective June 13, 2010, 35 TexReg 4711; amended to be effective October 4, 2020, 45 TexReg 6997.

(b) A complaint should be submitted on the complaint form that may be obtained by accessing the form on the Board's Web site or by contacting the Board's staff. If a completed complaint form is not submitted, the Board's staff will not be able to initiate an investigation unless the Board's staff receives information sufficient to establish probable cause to believe an actionable violation might have occurred.

(c) Once a complaint has been received, the Board's enforcement staff shall:

(1) conduct a preliminary evaluation of the complaint within thirty (30) days to determine:
   (A) Jurisdiction: whether the complaint provides information sufficient to establish probable cause for the Board's staff to believe an actionable violation might have occurred;
   (B) Disciplinary History: whether there has been previous enforcement activity involving the person against whom the complaint has been filed; and
   (C) Priority Level: the seriousness of the complaint relative to other pending enforcement matters;
(2) provide the complainant and respondent with information which will permit review of the Board's policies and procedures from the Board's web site regarding complaint investigation and resolution. If the complainant or respondent requests a copy of the policies and procedures in written format a copy shall be mailed upon request;
(3) notify the complainant and respondent of the status of the investigation at least quarterly unless providing notice would jeopardize an investigation; and
(4) maintain a complaint file that includes at least:
   (A) the name of the person who filed the complaint unless the complaint was filed anonymously;
   (B) the date the complaint was received by the Board's staff;
   (C) a description of the subject matter of the complaint;
   (D) the name of each person contacted in relation to the complaint;
   (E) a summary of the results of the review and investigation of the complaint; and
(F) an explanation for the reason the complaint was dismissed if the complaint was dismissed without action other than the investigation of the complaint.

(d) After the preliminary evaluation period, the Board's staff may contact the complainant, the respondent, and any known witness concerning the complaint.

(e) After the preliminary evaluation period, the Board's staff shall take steps to dismiss the complaint or proceed with an investigation of the allegation(s) against the respondent. A complaint may be referred to another government agency if it appears that the other agency might have jurisdiction over the issue(s) raised in the complaint.

(f) If the Board's staff proceeds with an investigation, the staff shall:
   (1) investigate the complaint according to the priority level assigned to the complaint;
   (2) notify the complainant and respondent that, as a result of the staff's preliminary evaluation of the complaint, the staff has determined that the Board has jurisdiction over the allegations(s) described in the complaint and has decided to proceed with an investigation of the allegation(s) against the respondent; and
   (3) gather sufficient information and evidence to determine whether there is probable cause to believe that a violation of a statutory provision or rule enforced by the Board has occurred.

(g) The Board's staff may conduct an investigation regardless of whether a complaint form was received as described in subsection (a) of this section.

(h) If the information and evidence gathered during an investigation are insufficient to establish probable cause to believe that a violation has occurred, the Board's staff shall:
   (1) dismiss the complaint;
   (2) send notices to the complainant and respondent regarding the dismissal;
   (3) if warranted, include in the respondent's notice a recommendation or warning regarding the respondent's future conduct; and
   (4) if a complaint is determined to be unfounded, state in the respondent's notice that no violation was found.

(i) If the information and evidence gathered during an investigation are sufficient to establish probable cause to believe that a violation has occurred, the Board's staff shall:
   (1) seek to resolve the matter pursuant to §§5.175, 5.176 or 5.183 of this subchapter; or
   (2) issue a warning in accordance with Subsection (j).

(j) A warning may be issued by the Executive Director only as follows:
   (1) the violation is the Respondent's only violation of the Board's laws and rules;
   (2) the Respondent has not previously been subject to a Board warning or order;
   (3) the Respondent has provided a satisfactory remedy which has eliminated any harm or threat to the health or safety of the public; and
   (4) The Respondent has committed one of the following violations:
      (A) failure to provide or timely provide plans and specifications to TDLR under the requirements of Govt. Code Chap. 469 (Elimination of Architectural Barriers);
      (B) Unauthorized use of term "registered interior designer";
      (C) Failure to respond to a Board inquiry;
      (D) Failure to provide a statement of jurisdiction;
      (E) Use of a non-compliant seal by registrant;
      (F) Failure to register or annually renew the registration of a business; or
      (G) Creation of misleading impression by a registered interior designer advertising for services.
   (k) The decision to issue a warning is at the sole discretion of the Executive Director and not available as a result of a contested case proceeding conducted pursuant to the Government Code Chapter 2001.
   (l) Before a proposed settlement agreement may be approved by the Board, the terms of the agreement must be reviewed by legal counsel for the Board to ensure that all legal requirements have been satisfied.

   (m) If a complaint is dismissed, the complainant may submit to the Executive Director a written request for reconsideration. The written request must explain why the complaint should not have been dismissed. The Executive Director may, but is not required to, respond to the request for reconsideration.

Note: The provisions of this §5.184 adopted to be effective July 5, 2004, 29 TexReg 6292; amended to be effective October 18, 2009, 34 TexReg 7079; amended to be effective September 14, 2016, 41 TexReg 7103.
5.185 EVALUATION OF EVIDENCE BY EXPERT

(a) If the Board’s staff determines that a respondent who is a Registrant, Candidate or Applicant appears to have engaged in the practice of Interior Design in a manner that was reckless, grossly incompetent, or dishonest, the matter may not be docketed at the State Office of Administrative Hearings for a formal hearing unless the evidence and information gathered during the investigation have been reviewed by a member of the Board or the Board’s staff or a consultant who is registered as a Registered Interior Designer.

(b) The purpose of the review shall be to confirm, prior to the commencement of formal disciplinary proceedings that the respondent’s professional conduct did not satisfy the requisite standard of care which should be applied by a reasonably prudent Registered Interior Designer under similar circumstances.

Note: The provisions of this §5.185 adopted to be effective July 5, 2004, 29 TexReg 6292; amended to be effective October 18, 2009, 34 TexReg 7079; amended to be effective June 13, 2010, 35 TexReg 4711.

(2) After determining whether the violation is minor, moderate, or major, the Board shall impose an administrative penalty as follows:

(A) Minor violations-an administrative penalty of not more than $1,000 shall be imposed.
(B) Moderate violations-an administrative penalty of not more than $3,000 shall be imposed.
(C) Major violations-an administrative penalty of not more than $5,000 shall be imposed.

(3) In determining the specific amount of an administrative penalty within the minor, moderate, or major range, the Board shall consider the factors outlined in Board Rules 5.151(c) and/or 5.175(f).

(4) If a violation of the Board's laws or rules is not specifically defined in subsection (1) as a minor, moderate, or major violation, the Board shall consider the factors outlined in Board Rules 5.151(c) and/or 5.175(f) in determining an appropriate administrative penalty.

(5) Previous Disciplinary History - If the respondent was previously found to have violated the Board's laws or rules in a warning or Order of the Board, then any subsequent disciplinary action may be considered at the next higher level of severity.

(6) Multiple Violations

(A) The administrative penalty ranges discussed in subsection (2) are to be applied to each individual violation of the Board's laws and rules. If a respondent has violated multiple laws and/or rules, or has committed multiple violations of a single law or rule, the Respondent shall be subject to a separate administrative penalty for each violation.

(B) Each sheet of plans and specifications created or issued in violation of the Board's laws and rules shall be considered a separate violation for purposes of calculating the total administrative penalty under subsection (6)(A).
(C) In the case of a continuing violation, each day a violation continues or occurs shall be considered a separate violation for purposes of calculating the total administrative penalty under subsection (6)(A).
(7) The administrative penalties set out in this section may be considered in addition to any other disciplinary actions, such as revocation, suspension, or refusal to renew a registration.
(8) If the facts of a case are unique or unusual, the Board may suspend the guidelines described in this section.
(9) A Registered Interior Designer, a Candidate, or an Applicant who fails, without good cause, to provide information to the Board under §5.181 of this subchapter (relating to Responding to Request for Information) is presumed to be interfering with and preventing the Board from fulfilling its responsibilities. A violation of §5.181 of this subchapter shall be considered a moderate violation if a complete response is not received within 30 days after receipt of the Board's written inquiry. An additional 15 day delay constitutes a moderate violation, and each 15 day delay thereafter shall be considered a separate major violation of these rules.

Note: The provisions of this §5.187 adopted to be effective July 5, 2004, 29 TexReg 6292; amended to be effective October 18, 2009, 34 TexReg 7080; amended to be effective June 13, 2010, 35 TexReg 4712; amended to be effective March 3, 2013, 38 TexReg 1185; amended to be effective September 14, 2016, 41 TexReg 7103.

5.188 REINSTATEMENT FOLLOWING SUSPENSION OR REVOCATION
If the Board suspends or revokes a person’s certificate of registration as a result of disciplinary action, the person may not reinstate the certificate of registration or obtain a new certificate of registration unless the person:
(1) demonstrates that he/she has taken reasonable steps to correct the misconduct or deficiency that led to the suspension or revocation;
(2) demonstrates that reinstatement or issuance of the certificate of registration is not inconsistent with the Board’s duty to protect the public by ensuring that registrants are duly qualified and fit for registration; and
(3) pays all fees and costs incurred by the Board as a result of any proceeding that led to the suspension or revocation. This shall include, but not be limited to, attorney’s fees and all costs associated with the need to prosecute a Contested Case proceeding at the State Office of Administrative Hearings and subsequent activities including administrative and judicial appeals.

Note: The provisions of this §5.188 adopted to be effective July 5, 2004, 29 TexReg 6292; amended to be effective October 18, 2009, 34 TexReg 7080.

SUBCHAPTER K
HEARINGS--CONTESTED CASES

5.241 Formal Hearing Procedures 5.243 Application and Construction of Procedures
5.242 Board Responsibilities 5.244 Suspension of Registration

5.241 FORMAL HEARING PROCEDURES
(a) Unless specifically indicated, the Administrative Procedure Act (APA) applies to all Contested Cases involving matters under the jurisdiction of the Board.
(b) The Rules of Procedure of the State Office of Administrative Hearings (SOAH) apply to formal hearings of Contested Cases conducted for the Board by a SOAH administrative law judge.

Note: The provisions of this §5.241 adopted to be effective July 7, 2002, 27 TexReg 5779.

5.242 BOARD RESPONSIBILITIES
(a) The Board shall investigate Contested Case matters and attempt to resolve Contested Cases informally as provided in Subchapter I of this chapter (relating to Disciplinary Action). However, if a Contested Case is not settled informally pursuant to Subchapter I of this chapter, it shall be referred to SOAH for a formal hearing to determine whether there has been a violation of any of the statutory provisions or rules enforced by the Board.
(b) A formal hearing shall be conducted in accordance with the Rules of Procedure of SOAH.
(c) After a formal hearing of a Contested Case, the SOAH administrative law judge who conducted the formal hearing shall prepare a proposal for decision and submit it to the Board so that the Board may render a final decision with regard to the Contested Case. The proposal for decision shall include findings of fact and conclusions of law.
(d) If a party submits proposed findings of fact or conclusions of law, the proposal for decision shall include a ruling on each proposed finding or conclusion.
(e) Any party of record in a Contested Case may request an oral hearing before the Board. A request for an oral hearing shall be filed with the Board and copies shall be served on the administrative law judge and on all other parties in the same manner as for serving other documents in a Contested Case. The Board, in its sole discretion, shall determine whether to grant or deny a request for an oral hearing. If a request for an oral hearing is granted, each party of record shall be allotted 30 minutes to make an oral presentation to the Board. The oral presentation shall be confined to matters contained within the administrative record.
(f) Upon the expiration of the time provided for the filing of exceptions and briefs or, if exceptions and briefs are filed, upon the 10th day following the time provided for the filing of replies to exceptions and briefs, the Board may render a decision to finally resolve a Contested Case. The Board may change a finding of fact or conclusion of law made by an administrative law judge or may vacate or modify an order issued by an administrative law judge only if the Board determines:
(1) that the administrative law judge did not properly apply or interpret applicable law, agency rules, written policies, or prior administrative decisions;
(2) that a prior administrative decision on which the administrative law judge relied is incorrect or should be changed; or
(3) that a technical error in a finding of fact should be changed.
(g) If the Board makes a change to a finding of fact or conclusion of law or vacates or modifies an order pursuant to subsection (f) of this section, the Board must state in writing the specific reason and the legal basis for the change.
(h) The Board shall issue a written order regarding the Board's decision to finally resolve a Contested Case that is not settled informally. The written order shall include findings of fact and conclusions of law that are based on the official record of the Contested Case. The written order may adopt by reference the findings of fact and conclusions of law made by an administrative law judge and included in the proposal for decision submitted to the Board.
(i) Motions for rehearing and appeals may be filed and judicial review of final decisions of the Board may be sought pursuant to the Administrative Procedure Act. The party who appeals a final decision in
a Contested Case shall be responsible for the cost of the preparation of the original or a certified copy of the record of the agency proceeding that is required to be sent to the reviewing court.

(j) The Board and the administrative law judge who presides over the formal hearing in a Contested Case shall refer to the following guidelines to determine the appropriate penalty for a violation of any of the statutory provisions or rules enforced by the Board:

Aiding or abetting an unregistered person in violating Occupations Code Chapters 1051, 1052, or 1053

| Tex. Occ. Code §1053.252(7) | Administrative penalty equivalent to that which would be appropriate for the underlying conduct by the unregistered person, and/or suspension or revocation |

(k) The penalty for a violation of any of the statutory provisions or rules enforced by the Board may vary from the penalty recommended in subsection (j) of this section if justified by the circumstances of the matter or the disciplinary history of the respondent. If the Respondent has previously been subject to disciplinary action before the Board, more severe discipline may be imposed.

(l) For any violation where revocation is recommended as an appropriate penalty for the violation, refusing to renew the respondent's certificate of registration also shall be an appropriate penalty for the violation.

(m) If the Board or the administrative law judge determines that an administrative penalty is the appropriate sanction for a violation, the guidelines described in §5.187 of this title (relating to Administrative Penalty Schedule) shall be applied to determine the amount of the administrative penalty.

5.243 APPLICATION AND CONSTRUCTION OF PROCEDURES

(a) SOAH shall conduct formal hearings in accordance with the APA, the Rules of Procedure of SOAH, the Interior Designers' Registration Law, the Rules and Regulations of the Board, and case law, provided that:

(1) an administrative law judge may, by order, modify the requirements of the Rules of Procedure of SOAH and supplement other procedural requirements of law to promote the fair and efficient handling of a Contested Case; and

(2) an administrative law judge may modify the procedural requirements of the Rules of Procedure of SOAH in appropriate cases to facilitate resolution of issues if doing so does not prejudice any of a party's rights or contravene applicable statutes.

(b) If there is any conflict between the Rules and Regulations of the Board or a prior decision of the Board and any of the statutory provisions applicable to a Contested Case, the statute controls.

(c) Not all contested procedural issues may be susceptible to resolution by reference to the APA and other applicable statutes, the Rules of Procedure of SOAH, the Rules and Regulations of the Board, and case law. When they are not, the presiding administrative law judge shall consider the Texas Rules of Civil Procedure (TRCP) as interpreted and construed by Texas case law, and shall consider persuasive authority established in other forums in order to issue orders and rulings that are just in the circumstances of the Contested Case.

5.244 SUSPENSION OF REGISTRATION

(a) If suspension of a person's registration is the appropriate sanction for a violation of a statutory provision or rule enforced by the Board, the Board and the administrative law judge shall apply the following guidelines to determine whether the suspension will be active or probated:

(1) The Board and the administrative law judge shall impose an active suspension upon a finding that the respondent:

(A) violated a statutory provision or rule enforced by the Board that demonstrated gross negligence or recklessness, or the conduct posed a serious threat to the health or safety of the public;

(B) violated a statutory provision or rule enforced by the Board which caused economic damage to property in excess of $1,000;
(C) committed a violation of a statutory provision or rule enforced by the Board while the respondent’s registration was on probated suspension;

(D) has a sanction history including at least two findings by the Board that the respondent engaged in conduct for which the respondent’s registration could have been suspended or revoked pursuant to §5.242 of this title (relating to Board’s Responsibilities) or

(E) would likely engage in the practice of Interior Design in a manner that does not comply with a standard or practice normally followed by a reasonably prudent Registered Interior Designer under the same or similar circumstances.

(2) In any case in which active suspension is not warranted, the suspension imposed by the Board shall be probated.

(b) A person whose registration is under active suspension may not engage in the practice of Interior Design. A person whose registration is under active suspension may not Supervise and Control or have Responsible Charge over the practice of Interior Design by another.

(c) The Board may impose any of the following terms and conditions upon the practice of a person whose registration is subject to a probated suspension:

(1) monitoring of practice, including mandatory submission of information to the Board and random and unannounced visits by personnel of the Board to investigate compliance with the terms of the probated suspension;

(2) directed continuing education on applicable subjects, including ethics training, in excess of the continuing education requirements applicable to all Registrants;

(3) limitations on scope of practice;

(4) mandatory Supervision and Control of practice by another Registered Interior Designer; and

(5) successful completion of a rehabilitation program pursuant to §5.159 of this title (relating to Substance Abuse.)

(d) If a person violates the terms of a probated suspension of registration, the Board may:

(1) prolong the period of probated suspension;

(2) impose an active suspension of registration; or

(3) impose additional terms and conditions upon the probated suspension.

(e) If a person engages in the practice of Interior Design while the person’s registration is subject to an active suspension, the Board may impose any or all of the following:

(1) issue an order restraining any further practice by the person;

(2) impose an administrative penalty;

(3) impose an additional period of suspension; or

(4) revoke the person’s certificate of registration.

(f) In addition to fulfilling the terms and conditions of a probated or active suspension of registration, a person must fulfill the requirements of §5.188 of this title (relating to Reinstatement Following Suspension or Revocation) in order to obtain reinstatement of the person’s suspended certificate of registration.

Note: The provisions of this §5.244 adopted to be effective March 16, 2005, 30 TexReg 1448; amended to be effective June 13, 2010, 35 TexReg 4713.
