5. Review the proposed 2017-2021 Strategic Plan Redundancies and Impediments

   Strategic Plan. She informed them that she had listed the redundancies

   section on employment restrictions.

   The Committee discussed the impediments of the Strategic Plan,
   specifically the annual SDSI payment to the General Revenue, SOAH’s fee,
   the rent or SWCAP fee, the OAG’s fee and the loss of revenue from
   penalties assessed by the agency. Ms. Hildebrand informed the members
   that all regulatory agencies pay monies into the General Revenue fund and
   the agency still keeps 80% of its revenue unlike appropriated agencies.
   The Committee discussed the possible need to raise fees in 2019 in order
   to maintain the eight (8) month reserve fund.

   Mr. Davis suggested that the Committee review the pros and cons of the

   The Committee discussed code issues at length, as well as the reported problems with contractors. It was noted that this item should be discussed during a full Board meeting. Other items of interest discussed were the need to shorten the Statute of Repose, changes to the declaratory and injunctive relief and clarification of what circumstances prompt a report to the Ethics Commission.

7. Potential legislative issues and the Board’s instructions to staff regarding those issues

   The Committee discussed the issues regarding interior design deregulation and suggestions for Ms. Hildebrand testifying before the Legislature.

   A MOTION WAS MADE AND SECONDED (Bearden/Anastos) TO ADJOURN AT 2:43 P.M. THE MOTION PASSED UNANIMOUSLY.

APPROVED BY THE COMMITTEE:

MICHAEL (CHAD) DAVIS, RLA
Chair, TEXAS BOARD OF ARCHITECTURAL EXAMINERS
Interim Charges: Senate Committee on Business and Commerce

1. Occupational Licensing: Review all occupations licensed under Texas law to determine the extent to which continued state regulation and licensure is required to protect public health and safety. Examine methods to ensure greater legislative oversight of new regulations, scope, and necessity of certain licenses and make recommendations for state licenses that should be repealed or transitioned to private-sector enforcement.

2. Hail Storm: Monitor the number of lawsuits related to property claims filed as a result of multiple hail storms and weather related events across Texas. Examine negative consumer trends that may result in market disruption such as higher premiums and deductibles, less coverage, non-renewals, and inability to secure coverage due to insurance carrier withdrawal from the state and make recommendations on legislative action needed.

3. Texas Prompt Pay Law: Study the impact of the penalty calculations under the current prompt payment of health care claim laws and regulations, including comparing penalties in other states and late payment penalties in Texas for other lines of insurance. Evaluate whether unregulated billed charges is the appropriate basis for determining penalty amounts and make recommendations for statutory changes, if needed.

4. Cyber-security/Storage: Examine cyber-security efforts undertaken by state entities and study the legal, policy, and privacy implications of the trend toward storage of personal, private, and business confidential information in network attached storage, cloud storage, and other developing data storage options rather than on local devices. Make recommendations on how to best protect Texans’ financial and personal information.

5. Elder Financial Abuse: Study elder financial abuse and determine what steps the State of Texas should take to help protect older Texans from financial exploitation.

6. Property Tax Liens: Examine and make recommendations for necessary changes regarding the collection process of delinquent ad valorem property taxes, including an inquiry into the role that tax lien transfers play in forestalling foreclosure.

7. Monitoring Charge: Monitor the implementation of legislation addressed by the Senate Committee on Business and Commerce during the 84th Legislature, Regular Session and make recommendations for any legislation needed to improve, enhance, and/or complete implementation. Specifically, monitor the following: 1) State agency participation in the federal electronic verification of employment authorization program; 2) Implementation of legislation intended to further protect consumers from the balance billing process; 3) Changes made to the operation of the Texas Windstorm Insurance Association; 4) The regulation of public insurance adjusters; and 5) The current consent policy for state disclosure of personal data.

Interim Charges: House Committee on Licensing & Administrative Procedures

1. Identify all occupations licensed by the state to determine if they are necessary for public safety and health. Determine if any criminal penalties associated with licensure are unnecessarily punitive, recommend methods to improve reciprocity with other states, and determine if a mandatory certification program could be used in lieu of mandatory licensure.

2. Identify regulatory functions across all agencies and departments. Make recommendations for possible consolidation, and study any effort that could make processes more efficient, reduce regulatory burden, and make effective use of taxpayer funds.
3. Explore the increasing incidence of powdered alcohol, its impact on underage drinking, and regulations in other states that have appropriately addressed the various impacts of the product.

4. Examine the effect of Proposition 4 (HJR 73 (84R)) on charitable enterprises associated with professional sports teams. Review the statutory limitations to ensure that only qualified, established organizations are allowed to hold raffles authorized in the amendment and the proceeds of the raffles are used for charitable purposes.

5. Conduct legislative oversight and monitoring of the agencies and programs under the committee’s jurisdiction and the implementation of relevant legislation passed or considered by the 84th Legislature. In conducting this oversight, the committee should: a. consider any reforms to state agencies to make them more responsive to Texas taxpayers and citizens; b. identify issues regarding the agency or its governance that may be appropriate to investigate, improve, remedy, or eliminate; c. determine whether an agency is operating in a transparent and efficient manner; and d. identify opportunities to streamline programs and services while maintaining the mission of the agency and its programs.
For all its enormous range of space, climate, and physical appearance, and for all the internal squabbles, contentions, and strivings, Texas has a tight cohesiveness perhaps stronger than any other section of America.

ACT—A public law enacted by the Texas Legislature. A bill that has been passed by both houses of the legislature and presented to the governor becomes law if it is signed by the governor, if it is not signed by the governor within a specified period of time, or if the governor vetoes the bill and the veto is overridden by a two-thirds vote in each house.

ACTION—A description of a step that a bill undergoes as it moves through the legislative process.

ADJOURNMENT—The termination of a meeting. Adjournment occurs at the close of each legislative day upon completion of business, with the hour and day of the next meeting set before adjournment. (See RECESS.)
ADJOURNMENT SINE DIE—See SINE DIE.

ADOPTION—Approval or acceptance; usually applied to amendments or resolutions.

ADVICE AND CONSENT—Procedure by which the senate gives approval or confirms appointments made by the governor to state offices.

BIENNIAL—Occurring every two years; a term applied to the scheduled regular session of the legislature.

BILL—A type of legislative measure that requires passage by both chambers of the legislature and action by the governor. A bill is the primary means used to create and change the laws of the state. The term “bill” also is used generically in TLIS on the legislative intranet and in TLO on the Internet to refer to the various types of legislative measures that may be introduced during a legislative session. Bill types include: senate and house bills, senate and house joint resolutions, senate and house concurrent resolutions, and senate and house resolutions.

BILL ANALYSIS—A document prepared for all bills reported out of committee that explains in nonlegal language what a bill will do. A bill analysis may include background information on the measure, a statement of purpose, and a detailed analysis of the content of the measure.

CHAMBER—The place in which the senate or house of representatives meets. Also a generic way to refer to a house of the legislature.

CHIEF CLERK—The chief administrative officer of the house of representatives, who supervises the legislative departments of the house. The chief clerk is the custodian of all bills and resolutions in the possession of the house and is responsible for keeping a complete record of their introduction and all subsequent house actions taken on them throughout the legislative process.

COAUTHOR—A legislator authorized by the primary author to join in the authorship of a bill or resolution. A coauthor must be a member of the chamber in which the bill was filed.

COMMITTEE REPORT—The text of a bill or resolution and its required attachments that is prepared when the measure is reported from a committee for further consideration by the members of the chamber. The committee report includes the recommendations of the committee regarding action on the measure by the full house or senate and generally is necessary before a measure can proceed through the legislative process.

COMMITTEE SUBSTITUTE—A complete, new bill or resolution recommended by a committee in lieu of the original measure. A committee will report a committee substitute rather than a bill with a large number of individual amendments when the committee wishes to make a substantial number of changes to the original
measure. The committee substitute must contain the same subject matter as the
original measure.

COMPANION BILL—A bill filed in one chamber that is identical or very similar to a
bill filed in the opposite chamber. Companion bills are used to expedite
passage as they provide a means for committee consideration of a measure to
occur in both houses simultaneously. A companion bill that has passed one
house then can be substituted for the companion bill in the second house.

CONCURRENCE—When the originating chamber votes to accept, or concur in,
the amendments made by the opposite chamber.

CONCURRENT RESOLUTION—A type of legislative measure that requires passage
by both chambers of the legislature and generally requires action by the
governor. A concurrent resolution is used to convey the sentiment of the
legislature and may offer a commendation, a memorial, a statement of
congratulations, a welcome, or a request for action by another governmental
entity. (Concurrent resolutions are used also for administrative matters that
require the concurrence of both chambers such as providing for adjournment or
a joint session. These types of concurrent resolutions do not require action by the
governor.)

CONFERENCE COMMITTEE—A committee composed of five members from each
house appointed by the respective presiding officers to resolve the differences
between the house and senate versions of a measure when the originating
chamber refuses to concur in the changes made by the opposite chamber.
Upon reaching an agreement, the conferees issue a report that then is
considered for approval by both houses.

CONFERENCE COMMITTEE REPORT—The text of a bill and its required
attachments that is issued when a conference committee has completed its
work in resolving the differences between the house and senate versions of a
measure.

members 24 hours before the house convenes.

ELECTION—The process of choosing government officials by a vote of the citizens.

ENACTING CLAUSE—A clause required by the Texas Constitution to precede the body of each bill. The enacting clause follows the caption and must read as follows: “Be it enacted by the Legislature of the State of Texas:”.

ENGROSSED—The stage in a bill’s legislative progress when it has been passed by the chamber in which it was filed and all amendments to the bill have been
incorporated into the text of the bill, which is then forwarded to the second house for consideration.

ENROLLED—The stage in a bill’s legislative progress when it has been passed by both chambers of the legislature in identical form and is prepared for signature by the presiding officers of both houses. If the bill is not passed in identical form by both houses, any changes made by the opposite chamber must be accepted by the originating chamber or a conference committee report must be adopted by both chambers before the bill may be enrolled.

EX OFFICIO—Used to refer to a member of a governmental body who holds his or her position on that body as the result of holding another governmental position.

INTENT CALENDAR—A list of bills and resolutions for which senators have filed with the secretary of the senate written notice to suspend the regular order of business for consideration. Normally, a bill may not be brought up for consideration by the full senate unless it is listed on the Intent Calendar.

INTERIM—The period between regular legislative sessions.

INTERIM COMMITTEE—A group of legislators appointed by the presiding officer of the house or senate when the legislature is not in session that studies a particular issue or group of issues for the purpose of making recommendations to the next legislature.

INTRODUCED—Used to refer to the version of a bill or resolution as it was filed in the house or the senate.

JOINT COMMITTEE—A committee composed of members from each house appointed by the respective presiding officers. Joint committees normally are created by special proclamation issued by the speaker and lieutenant governor for the purpose of studying a particular issue or group of issues when the legislature is not in session. Joint committees rarely, if ever, are created during a session, and house and senate rules do not permit bills and resolutions to be referred to a joint committee.

JOINT RESOLUTION—A type of legislative measure that requires passage by both chambers of the legislature but does not require action by the governor. A joint resolution is used to propose amendments to the Texas Constitution, to ratify amendments to the U.S. Constitution, or to request a convention to propose amendments to the U.S. Constitution. Before becoming effective, the provisions of joint resolutions proposing amendments to the Texas Constitution must be approved by the voters of Texas.

The journal of each house is printed daily in pamphlet form and subsequently compiled and indexed for publication in bound volumes after the conclusion of a regular or special session of the legislature.

LAST ACTION—The description of the most recent step a bill has gone through in the legislative process.

LEGISLATIVE DAY—That period from convening after an adjournment until the next adjournment. The house or the senate may convene for a daily session in the morning, recess for lunch, and adjourn that same evening, completing a legislative day on the same calendar day. However, if a chamber recesses at the end of the day, that particular legislative day continues until the next time the chamber adjourns.

LEGISLATURE—The lawmaking body of the State of Texas. It consists of two chambers, the house of representatives and the senate. The Texas Legislature convenes in regular session at noon on the second Tuesday in January of each odd-numbered year for no more than 140 days.

LIST OF ITEMS ELIGIBLE FOR CONSIDERATION—Prepared by the chief clerk of the house, upon request of the speaker, when the volume of legislation warrants (normally during the last few weeks of a regular session). The list must be distributed six hours before it may be considered and contains: (1) house bills with senate amendments eligible to be considered; (2) senate bills for which the senate has requested the appointment of a conference committee; and (3) conference committee reports eligible to be considered.

PAIRING—A procedure for voting whereby, under a formal agreement between two members, a member who will be present for a vote agrees with a member who will be absent for a vote that the member who is present will not vote but will be “present, not voting.” When two members are paired, the journal reflects how each member would have voted. Two members may be paired only if one would have voted “aye” and one would have voted “nay” on a particular measure or motion.

PASSAGE—Approval of a measure by the full body.

POINT OF ORDER—A motion calling attention to a breach of the procedural rules.

PREFILING—Filing of bills and other proposed legislation prior to the convening of a session of the legislature.

appointed members of a committee forms a quorum for the purpose of conducting committee business.

READING—The presentation of a bill before either house by the recital of the caption of the bill. The Texas Constitution requires that every bill be read in each house on three separate days. Until a bill is finally passed, it will be in the process of a first, second, or third reading. The first reading of a bill is the point in the process when the bill is referred to committee by the appropriate presiding officer. The second reading of a bill is the first point in the process when the entire membership of a chamber has the opportunity to debate the bill and amend it by majority vote. The third reading of a bill is the next point in the process when the entire membership of a chamber may debate a bill and the final opportunity the members of a chamber have to offer amendments to the bill.

RECESS—A temporary termination of a meeting. Recesses are called for short breaks (e.g., for lunch or dinner) or occasionally at the close of a daily session to allow the legislative day to continue into the next calendar day. (See ADJOURNMENT.)

RECONSIDERATION—A procedure by which the house, senate, or one of its committees may, after approval by majority vote, repeat the vote on an action previously taken to either annul or reaffirm the action.

RECORD VOTE—A listing of the individual vote of each member of a committee or the full house or senate on a particular motion or measure.

REDISTRICTING—A geographical division of the state into congressional, state representative, senatorial, or other legislative districts on the basis of the relative distribution of the state’s total population. District boundaries are redrawn every 10 years following the publication of the U.S. census to ensure an appropriate number of districts of approximately equal population.

SESSION—The period during which the legislature meets. There are two types of sessions. The regular session convenes every two years and may last no more than 140 days. A called session, commonly referred to as a special session, is so designated because it must be called by the governor. A called or special session may last no more than 30 days.

The Supplemental House Calendar contains: (1) measures passed to third reading on the previous day; (2) measures on the Daily House Calendar for a previous day that were not reached for consideration; (3) measures on the Daily House Calendar for the current day; and (4) postponed business from a previous day.
