B. Proposed Rule for Adoption (Action)
Amendments to Rules 5.31 and 5.51, relating to elimination of eligibility for interior design registration by architects who pass the Architect Registration Examination.
Mr. Brenton presented information on the proposed rule for adoption as described on page 44 of the Board materials. Mr. Brenton noted that the Texas Society of Architects commented in opposition to the proposed rule. Mr. Brenton encouraged the Board to act in accordance with their understanding of the legislative intent in adopting the amendments to Sec. 1015.351.

A MOTION WAS MADE AND SECONDED (Davis/Odell) TO APPROVE THE PROPOSED AMENDMENTS TO 22 TEX. ADMIN. CODE §§ 5.31 AND 5.51 FOR FINAL ADOPTION.

Mr. Wetmore inquired what the purpose was to bring the architects under the RID registration. Information was provided that architects are not required to register as interior designers to practice, but are required to register if they use the title “registered interior designer.” Mr. Brenton clarified that the rule change will not have any effect on current registrants, and that the ARE will continue to be an acceptable examination until December 31, 2018.

Mr. Lancaster and Ms. Vining provided their recollections of the legislative history of this matter.

Mr. Davis stated that if a Board or state agency states that an individual is uniquely qualified in a discipline, it is important that that individual is qualified by unique education, unique experience, and unique examination. He stated that the consumer can then rely on the registration to show that the registrant is uniquely qualified in the field and has satisfied the specific requirements to become registered in the field. He also pointed out that the rule would not affect the actual work that can be done by an architect, only the communication that the person is or is not registered as an interior designer.

Mr. Wetmore communicated his belief that there is a different point of view and focus between an architect and an interior designer, and stated that he agreed with Mr. Davis’ point regarding the need for a unique examination for the two professions.

Ms. Dockery commented on the overlap between the two exams.

Ms. Dockery called a vote on the motion. THE MOTION PASSED UNANIMOUSLY.

A. Revise Rules 1.5 and 3.5 relating to definitions of “actual signature,” “authorship” (repeal), “Architectural Barriers Act,” and “E-mail Directory” (repeal).

B. Revised Rule 1.5 relating to definition of “EPH” and “Architect’s Registration Law.”
C. Revise Rule 3.5 relating to definition of “Landscape Architect’s Registration Law.”
D. Repeal Rules 1.24 and 3.24 relating to Fees.
E. Revise Rule 1.148 to replace obsolete reference to “Section 10 of the Act.”

Mr. Brenton presented information on the proposed rules for adoption as described on page 85 of the Board materials.

A MOTION WAS MADE AND SECONDED (Walker/Odell) TO APPROVE THE PROPOSED AMENDMENTS TO 22 TEX. ADMIN. CODE §§ 1.5, 3.5, 1.24, 3.24, AND 1.148 FOR FINAL ADOPTION. THE MOTION PASSED UNANIMOUSLY.

B. Repeal Rule 5.34 relating to Fees
C. Readopt all other rules in 22 Tex. Admin. Code Chapters 5 & 7

Mr. Brenton presented information on the rule review and draft rules for adoption as described on page 102 of the Board materials.

A MOTION WAS MADE AND SECONDED (Davis/Bearden) TO APPROVE THE DRAFT AMENDMENTS TO 22 TEX. ADMIN. CODE 5.5 AND 5.34 FOR PUBLICATION AND PROPOSAL IN THE TEXAS REGISTER, WITH AUTHORITY FOR THE GENERAL COUNSEL TO MAKE EDITORIAL CHANGES AS NECESSARY TO CLARIFY RULE AND BOARD INTEND AND TO COMPLY WITH FORMATTING REQUIREMENTS OF THE TEXAS REGISTER. THE MOTION PASSED UNANIMOUSLY.

A MOTION WAS MADE AND SECONDED (Bearden/Wetmore) TO READOPT ALL OTHER RULES IN 22 TEX. ADMIN. CODE CHAPTERS 5 AND 7, AS AUTHORIZED UNDER TEXAS GOVERNMENT CODE §2001.039(c). THE MOTION PASSED UNANIMOUSLY.

The Board took a break @ 3:00 and reconvened at 3:15 p.m.

Regulatory Case Law Update (Information)

Mr. Brenton noted that FARBand provides the agency with a regulatory case update every few months and that in the future, staff will share any pertinent cases with the Board. Mr. Brenton presented a summary of this matter and the associated documents on pages 128-144 of the Board materials.

A MOTION WAS MADE AND SECONDED (Bearden/Wetmore) TO ACCEPT STAFF’S RECOMMENDATION AND ACCEPT THE AGREED ELIGIBILITY ORDER.

Mr. Bearden noted that there has been movement on both sides of the aisle to allow people who have made mistakes to get a second chance, and that he supported these opportunities. Mr. Bearden pointed out the responsibility that Mr. Hernandez will take on if he is granted a registration, to be a good example and a success that would allow the Board to make similar decisions in the future.

Ms. Dockery noted that she supported Mr. Hernandez’s registration because he has provided strong mitigating evidence on every single factor the Board is required to consider in making determinations relating to criminal convictions under the Board’s laws and rules.

Mr. Wetmore noted that Mr. Hernandez had a strong letter of recommendation from his employer.

Mr. Ryan expressed his appreciation for the Board’s consideration of this matter and stated that his client was grateful for the opportunity. Mr. Ryan provided further discussion in favor of Mr. Hernandez’s registration.

THE MOTION PASSED UNANIMOUSLY.

B. Registrant Cases

Barnett, Randolph C. (#076-15A)

Mr. Brenton presented a summary of this matter as described on page 145 of the Board materials. A MOTION WAS MADE AND SECONDED (Bearden/Walker) TO ACCEPT STAFF’S RECOMMENDATION OF A $10,700 ADMINISTRATIVE PENALTY IN THE CASE AGAINST RANDLPH C. BARNETT (#076-15A). THE MOTION PASSED UNANIMOUSLY.

Adoption of Proposed Rules Relating to Agency Review of

22 Tex. Admin. Code Chapters 5 and 7

Background

Under Texas Government Code §2001.039, a state agency is required to review its rules every four years to determine whether each rule should be re-adopted, amended, or repealed. During this process, the state agency must assess whether the reasons for initially adopting the rule continue to exist. The Board most recently adopted Rule reviews in October, 2012.

Rule Review

At the December Board Meeting, staff presented the review of Chapters 5 and 7 of the Board’s rules. Pursuant to this review, Staff recommended, and the Board agreed, to propose amendments or repeals of the following rules in Chapter 5:

- **Amendment of Rule 5.5 – Terms Defined Herein:**
  - Repeal definition of “Actual Signature” and replace with identical definition of “Signature.”
    - The term “actual signature” does not appear in the Board’s rules for any profession. “Signature” is the term that is used.
  - Define “Architectural Barriers Act”
    - The rules for the other two professions define this term, which is used without definition in Chapter 5.
  - Repeal definition for “Authorship”
    - The terms “authorship” or “author” do not appear in the Board’s rules.
  - Revise definition for “Consultant”
    - The definition refers to “interior designer” instead of “registered interior designer,” which is the regulated term, and the term that is used elsewhere in the Board’s rules.
  - Repeal definition for “E-mail Directory”
    - This term does not appear in the Board’s rules for any profession
  - Revise definition for “Interior Designers’ Registration Law”
    - The current definition references Article 249e, Vernon’s Texas Civil Statutes, which was repealed in 2001
  - Revise definition for “Registrant”
    - The term is defined as “interior designer.” “Registered interior designer” is the appropriate definition for the term.

- **Repeal Rule 5.34 – Fees:**
  - This rule has become obsolete. The rule states that the Board shall establish a schedule of fees, and that such fee schedule shall be published and copies made available at the Board’s office. This rule was adopted at a time, prior to 2005, when the Board did not adopt a fee schedule by rule. Under the current practice, in which the fee schedule is adopted and published under Rule 7.10, this rule is inaccurate and unnecessary.
The proposed amendments, which are attached to this summary, were published in the Texas Register on December 23, 2016 (41 TexReg 10058). No comments were received.

Staff’s Recommendation

Move to approve the proposed amendments to 22 Tex. Admin. Code §5.5 and §5.34 for final adoption.

Draft New Rule 7.11 – Enhanced Contract and Performance Monitoring

Background

During the 84th session, the Texas Legislature passed SB 20, which made a number of changes to state agency contracting laws. Among these changes is a requirement in Tex. Govt. Code §2261.253 that state agencies adopt a rule which establishes a procedure to identify contracts that require enhanced contract monitoring and submit information on such contracts to the agency’s governing body. Currently, the Board does not have a rule relating to contract management.

Draft Rule

The draft rule includes the following provisions:

- The rule requires the finance manager to complete a risk assessment for all contracts over $25,000, and authorizes the finance manager to complete a risk assessment for contracts of a lesser value.
- The rule identifies a number of factors to be considered in the risk analysis performed by the finance manager.
- If the risk assessment results in a determination that enhanced contract monitoring is appropriate, the contract will be reported to the Board at the first meeting following execution of the contract. The report will include the basis for determining enhanced contract monitoring is appropriate, any serious risks or issues identified with the contract, and staff’s plan for carrying out enhanced contract monitoring. Additionally, the Board will be provided status reports on the contract, as directed by the Board.

Attached for your consideration is a copy of draft rule §7.11.

Staff Recommendation

Move to approve draft rule 22 Tex. Admin. Code §7.11 for publication in the Texas register, with authority for the General Counsel to make editorial changes as necessary to clarify rule and Board intent and to comply with the formatting requirements of the Texas Register.
§7.11 Enhanced Contract and Performance Monitoring

(a) The Board will complete a risk assessment to identify procurement contracts for goods or services from a private vendor that require enhanced contract or performance monitoring.

(b) For all contracts with a value greater than $25,000, the finance manager will complete a risk assessment to evaluate whether enhanced contract or performance monitoring may be required. For contracts of a lesser value, the finance manager may complete a risk assessment to evaluate whether enhanced contract or performance monitoring is indicated. The risk assessment may consider the following factors:

   (1) total cost of the contract, including contract renewals;
   (2) risk of loss to the agency under the contract;
   (3) risk of fraud, waste or abuse;
   (4) scope of the goods or services provided;
   (5) availability of agency resources;
   (6) complexity of the contract;
   (7) business process impact of failure or delay;
   (8) vendor past performance; and
   (9) whether the vendor is a foreign or domestic person or entity.

(c) Contracts identified for enhanced contract and/or performance monitoring will be reported to the Board at the first regular Board meeting after the contract is executed. The report shall include:

   (1) the basis for the determination that enhanced contract or performance monitoring is appropriate;
   (2) any serious issues or risks identified with the contract, if applicable; and
   (3) the plan for carrying out the enhanced contract or performance monitoring.

(d) For any contract subject to enhanced contract or performance monitoring, the finance manager shall provide the Board with progress reports, as directed by the Board.

(e) This section does not apply to a memorandum of understanding, interagency contract, interlocal agreement, or contract for which there is not a cost.
